“Keputusan dan arahan ini diambil atas faktor keselamatan dan kesihatan pihak peniaga s e r t a pengunjung

Kenyataan itu turut menyebut, semua peniaga di Uptown Shah Alam boleh menghubungi Bahagian Jualan Hartanah Wilayah Utara PKNS untuk maklumat lanjut.

LUAS kenal pasti punca pencemaran bau sebabkan hentitugas empat LRA

SHAH ALAM

Pencemaran bau yang dikesan pada sumber air mentah di Sungai Selangor dipercayai berpunca dari Kawasan Perindustrian Kecil Sungai Bakau Country Home, Rawang.

Menerusi satu kenyataan Lembaga Urus Air Selangor (LUAS) memaklumkan, pihaknya mendapati pencemaran bau dengan bacaan 4 ton itu direkodkan di kawasan yang terletak kira-kira 17 kilometer dari Loji Rawatan Air (LRA) Rantau Panjang.

Katanya, pihaknya turut mendapati terdapat bau seakan-akan pelarut di kawasan Sungai Gong dan Sungai Bakau sebelum ini.

"Pensampelan kualiti air telah dilaksanakan bagi tujuan

analisis oleh Jabatan Kimia," katanya dalam satu kenyataan di sini semalam.

Kelmarin, gangguan bekalan air tidak berjadual berlaku di tujuh wilayah termasuk Kuala Lumpur, Petaling, Klang/ Shah Alam, Kuala Selangor, Hulu Selangor, Gombak dan Kuala Langat berikutan pencemaran bau yang dikesan pada sumber air mentah di Sungai Selangor.

Loji Rawatan Air Sungai Selangor (LRA) Fasa 1 (SSP1), Fasa 2 (SSP2), Fasa 3 (SSP3) dan Rantau Panjang terpaksa dihentitugas pada jam 7 malam susulan insiden tersebut.

Mengulas lanjut, LUAS berkata, pihaknya turut mengaktifkan pengepaman air kolam alternatif di Bestari Jaya sebanyak 972 juta liter sehari (JLH) untuk meningkatkan kadar pencairan di Sungai Selangor.

"Pada masa sama, pembukaan sementara Pintu 5 di Baraj Bestari Jaya juga dilakukan bagi tujuan mempercepatkan aliran ke hilir Sungai Selangor dan berjaya membantu meningkatkan pencairan dan pengoperasian LRA dengan segera," kata kenyataan itu.

Tambahnya, empat LRA utama yang terjejas sebelum ini telah beroperasi semula sekitar jam 10.15 malam hingga jam

10.30 malam kelmarin.

"LUAS, Jabatan Alam Sekitar (JAS), Majlis Daerah Hulu Selangor (MDHS), Majlis Perbandaran Selayang (MPS), Pengurusan Air Selangor Sdn Bhd (Air Selangor) serta pihak terlibat sedang menjalankan siasatan secara menyeluruh di lokasi dengan melaksanakan langkah kawalan serta mitigasi bagi mengelakkan pencemaran berulang," katanya.

Bau pelarut yang mencemarkan Loji Rawatan Air (LRA) Selangor kelmarin dikenal pasti berpunca daripada kawasan Perindustrian Kecil Sungai Bakau, Country Home, Rawang terletak kira-kira 17 kilometer (km) dari LRA Rantau Panjang.

Pencemaran membabitkan empat LRA di Selangor iaitu Sungai Selangor Fasa 1 (SSP1), Fasa 2 (SSP2), Fasa 3 (SSP3) dan Rantau Panjang yang terpaksa dihenti tugas jam 7 malam kelmarin.

Bagaimanapun Lembaga Urus Air Selangor (Luas) dalam satu kenyataan memaklumkan keempat-empat LRA itu sudah beroperasi semula sekitar jam 10.15 hingga 10.30 malam kelmarin.

BERHUJAN SAMPAI KE PUNCAK

Pengalaman 16 pendaki bekas kakitangan, warga NSTP tawan Gunung Besar Hantu cukup menarik, mencabar

Oleh Hafiz Ithnin
hafizithnin@mediaprima.com.my

Ayam belum berkokok, matahari pun masih belum bangkit menyinari langit awal pagi itu. Kami ibarat pendaki 'buta' meredah dalam gelap untuk menawan Gunung

Besar Hantu.

Lokasinya terletak di Taman Negeri Kenaboi, Jeju, Negeri Sembilan bukan sesuatu yang asing bagi mereka yang gemarkan aktiviti pendakian dalam negara.

Namanya, agak menakutkan namun bukan kisah di sebalik

nama yang ingin diungkap.

Istimewanya sekumpulan 16 orang pendaki rata-ratanya pernah berkhidmat dan masih menjadi kakitangan di bawah Kumpulan New Straits Times Press (Malaysia) Bhd (NSTP) ibarat mengadakan perjumpaan besar pada

hari itu.

Yang mana tidak pernah kenal dan bertegur sapa ketika di pejabat, ketika itu juga kami mula menjadi mesra. Bukan sombong ketika di pejabat tetapi, faham-faham sahajalah, kebanyakan kami mempunyai label wartawan dan editor

dalam karier, pastinya sibuk dengan tugas masing-masing.

Perjalanan dimulakan sekitar jam 5 pagi yang perlu menempuh laluan balak. Jauhnya boleh tahan kerana diikuti jam pintar penulis, ada sejauh 4.5 kilometer perlu kami lalui sebelum masuk

ke kawasan hutan yang menjadi permulaan lokasi pendakian.

Awal pagi itu juga sudah terasa sejuk dan disangkakan air menitik 'manja' adalah gerimis ternyata ia petanda hujan sepanjang hari yang akan kami tempuhi.

DARI MUKA 33

Berjalan dalam gelap dan laluan balak itu juga bukan sesuatu yang mudah kerana agak mencanak.

Kadangkala terdapat laluan terbuka seakan longkang dek dirempuh kenderaan pucuan empat roda di situ.

Terdengar juga suara salah seorang daripada kami seramai 16 orang ini yang mengatakan, "Apalah aku buat pagi-pagi buta merecik peluh. Kalau pada jam ini, pasti masih lena menarik selimut. Apatah lagi, hari hujan," katanya.

Tergelak kami mendengar celoteh itu. Bagaimanapun, jika duduk di rumah pasti tidak dapat merasakan pengalaman

mendaki seperti itu dan melihat peragai masing-masing.

Sebaik tiba di Kem Sungai Kering, jam sudah menunjukkan sekitar enam pagi. Langit mula menunjukkan jalur sinarnya mengajak kami untuk menunaikan solat Subuh dan berehat seketika sebelum memulakan perjalanan meredah hutan.

Kopi panas dan biskut kering dihidang penunjuk arah yang mesra disapa Apak, ibarat menikmati menu 'English breakfast' selepas menempuhi laluan balak itu.

Kem Sungai Kering adalah kem pertama untuk pendaki berehat dan di situ terdapat laluan anak sungai. Bolehlah menjadi sumber untuk berwujud

SEMUA peserta berjaya menawan puncak Gunung Besar Hantu.

dan mengambil air untuk membanuh kopi pagi itu. Usai sekitar 30 minit berehat, perjalanan diteruskan. Dari air yang disangka embun, ia mula menjadi hujan lebat. Bagaimanapun, itu bukan penyebab untuk berpatah balik.

"Kepala" kumpulan kami, Zainuri Misfar atau mesra disapa Abang Zack (pelakon Hantu Kak Limah yang begitu sinonim dengan dialog "Bala-bala"), sudah mengingatkan kami semua, supaya jangan lupa untuk membawa baju hujan. Ternyata peringatan beliau itu ada benarnya.

Sepanjang laluan mendaki ke puncak kami melalui laluan

yang sentiasa mencanak. Mudahnya, tiada diskaun langsung untuk menikmati laluan mendatar. Jika ada pun hanya sekejap.

Perjalanan ketika itu menyasarkan Kem Orkid sebagai tempat berehat kedua. Ia mengambil masa sekitar tiga jam sahaja dari Kem Sungai Kering. Kem Orkid agak luas dan sesuai untuk mereka yang ingin berkhemah di situ. Pada hemat penulis mungkin boleh memuatkan 30 khemah pada satu-satu masa.

Nampaknya hujan tidak menunjukkan tanda untuk berhenti. Berjalan dalam hujan sambil disapa angin, ketika berehat sebentar di Kem Orkid

dirasakan sangat sejuk hingga ke tulang. Baiklah diteruskan perjalanan daripada berhenti lama, setidak-tidaknya dapat memanaskan tubuh kerana bergerak.

Memandangkan cuaca hujan, laluan menjadi berslut dan licin. Ada antara kami sudah lama menggantung beg galas mendaki sudah pasti mengambil masa untuk 'panas' kembali dalam pendakian kali ini.

Ada juga rakan pendaki kelihatan agak emosi dan tidak mahu meneruskan perjalanan. Bagaimanapun, sokongan rakan lain yang setia di belakang terus memberi semangat untuknya meneruskan perjalanan.

Semakin hampir tiba di puncak, dihidangkan dengan panorama hutan lumut yang menarik. Tumbuhan yang sinonim dengan kawasan lembap itu tumbuh melata. Cantik, walaupun bersulam lumpur.

Sekitar jam satu tengah hari, kami semua berjaya menawan puncak Gunung Besar Hantu, berketinggian 1,462 meter itu diiringi dengan sorakan dan ucapan syabas antara

satu sama lain.

Puncak Gunung Besar Hantu tidak begitu besar dan rasanya tidak begitu sesuai untuk berkhemah jika datang dalam kumpulan yang besar.

Apatah lagi, di puncaknya agak terbuka dan hanya pokok renek berada di sekitarnya.

Selepas hampir sejam kami berada di puncak untuk makan tengah hari, kami pun memulakan perjalanan turun menempuhi laluan berslut.

Perjalanan turun sebenarnya lebih mencabar daripada mendaki kerana kami perlu mengatur langkah supaya tidak jatuh tergelincir dan tercedera.

Nampaknya, perjalanan turun mengambil masa lebih lama dan kesemua kami tiba di tempat permulaan pendakian pada jam 9.30 malam.

Namun, itulah pengalaman pendakian yang tidak dapat dilupakan dan jika dikenang semula pasti ada sahaja cerita lucu yang terkeluar daripada kami mengenai pendakian berkenaan.

Eateries based in condos cannot offer takeaways

PETALING JAYA: Unlike other eateries, those that are based in condominiums will be barred from offering takeaways.

A Kuala Lumpur City Hall spokesman told *theSun* that anyone who finds any of these eateries still operating should call the local authority's hotline (03-4024 4424) to report the matter.

"We will then send a team to investigate," he said.

However, he added, the operator of the eatery will only get a slap on the wrist since the ban has only just been imposed.

Subang Jaya Municipal Council (MPSJ) also said that it will take stringent measures by closing its headquarters, branch offices and all public facilities such as multi-purpose halls, municipal court, community facility complex, the Hypermedia Library, 3C Complex, sports arena, Serdang Jaya Stadium and the MPSJ kindergarten.

"However, the MPSJ Command Centre will continue to operate to receive emergency and disaster complaints as well as coordinate actions related to Covid-19," MPSJ president Noraini Roslan said in a statement.

Enquiries and complaints can be made via MPSJ WhatsApp at 019-274 2824 or MPSJ command centre at 03-8024 7700.

Pollutant from industrial area may have shut down water plants

SHAH ALAM

ASOLVENT-like odour at Sungai Gong and Sungai Bakau in Rawang is believed to have led to the shutting down of four water purification plants (LPA) here on Tuesday.

The plants were LPA Sungai Selangor Phase 1 (SSP1), Phase 2 (SSP2), Phase 3 (SSP3) and LPA Rantau Panjang.

Lembaga Urus Air Selangor (Luas), in a statement said the plants were shut down between 5.45pm and 7pm on Tuesday after they received a report on the pollution in Sungai Selangor.

Investigations showed that the pollutant could have originated from the Sungai Bakau light industrial area in Country Homes, Rawang, which is 17km from the Rantau Panjang LPA.

Water samples have been taken for quality analysis by the Chemistry Department, the statement said.

“Luas acted immediately by pumping 972 million litres of water per day from an alternative pool in Bestari Jaya to increase the liquidation rate in Sungai Selangor.

“Gate number five at the Bestari Jaya water treatment plant barrage was also opened to quicken the flow to Sungai Selangor downstream which helped in liquidation and the operation of the LPAs.”

The operations of all the LPAs were restored between 10.15pm and 10.30pm on Tuesday.

Luas and the authorities were conducting investigations at the location and control measures were being implemented to prevent a recurrence of the incident.

Changes seen at state-owned agencies after Mara shake-up

Analyst says major reshuffles at state-backed funds including Khazanah, PNB, EPF and TH could be next, in line with the political changes in the country

by ALIFAH ZAINUDDIN, AFIQ AZIZ & SHAZNI ONG

MORE changes are expected at other government-linked agencies after the contracts of the chairman and seven board members of Majlis

Amanah Rakyat (Mara) were abruptly ended, citing they were political appointees.

Four sources confirmed with *The Malaysian Reserve (TMR)* the termination of the affected Mara board members. The contract of Mara Corp Sdn Bhd chairperson Akhramsyah Muammar Ubaidah Sanusi and Universiti Teknikal Mara Sdn Bhd chairman Prof Emeritus Datuk Dr Sukiman Sarmani were ended.

The announcement of the termination was made in a letter signed by Rural Development Ministry

(KPLB) Secretary General Datuk Dr Ahmad Jailani Mohamad Yunus. It was distributed to Mara DG and GMs of other land development agencies under the ministry.

The letter said: "The rural development minister has agreed to terminate all politically appointed directors in agencies and subsidiaries owned by the agency under the KPLB, as decided by the Cabinet during its meeting on March 11, 2020."

The letter listed all the political appointees including Mara chairperson Dr Hasnita Hashim.

Hasnita, a PhD holder in Nuclear Physics from Oxford University, was appointed to the position by the previous Pakatan Harapan (PH) government.

"The termination is effective March 18," according to the letter sighted by *TMR*.

A source told *TMR*: "The termination applies to all except council members who represented the ministry, like from the Ministry of Finance (MoF) and KPLB."

Besides Hasnita, other Mara board members who had their

contract shortened are Datuk Syed Tamim Ansari Syed Mohamed, Tengku Tan Sri Mahaleel Tengku Ariff, Dr Nungsari Ahmad Radhi, Zakri Mohd Khir, Datuk Dr Ameer Ali Mydin, Datuk Jamelah Jamaluddin and Ahmad Bazlan Che Kassim.

"Their contracts (were supposed to) end on Sept 30 this year, but were ended slightly earlier. The reason for their termination was that they were appointed by the previous government (political appointees)," the source said.

Hasnita, previously chaired Maybank Asset Management Group and has 26 years experience in global financial management. She was appointed on Oct 1, 2018, to succeed Datuk Dr Awang Adek Hussin, who resigned from the position before May 2018.

When asked when the new board would be appointed and possible candidates for Mara chairperson, the source said it all depends on the minister.

According to several news reports, former Education Minister Maszlee Malik has been tipped to hold Mara's No 1 post.

The termination was issued via a letter by newly-minted Rural Development Minister Datuk Abdul Latiff Ahmad on Tuesday, believed to be part of a restructuring exercise in federal agencies due to the recent change of government.

"It is with joy we announce that the honourable rural development minister on March 17 had agreed to end the contracts of

all politically-appointed board members of agencies, companies owned by agencies of the KPLB as decided by the March 11 Cabinet meeting," the letter read, according to a second source.

Another source said: "I believe this does not only apply only to Mara, but also agencies under KPLB. There are several other political appointees under the ministry, either political figures or corporate leaders and professionals."

Akhramsyah is a Parti Pribumi Bersatu Malaysia supreme council member.

Federation of Public Listed Cos Bhd president Tan Sri Megat Najmuddin Megat Khas described the removal of political appointees due to the change in Putrajaya's administration as business as usual.

"It has been a practice by past governments. This also applies to the government-linked companies (GLCs)," he told TMR.

Megat Najmuddin also did not object if the government chooses to appoint a political figure in Mara as was practised prior to PH's administration.

"In fact, there should be a full-time politician to head Mara like before because it had been the normal practice," he said, adding that not all politicians are troublesome.

"They will be guided by the council in the decision-making process. So, it is a collective responsibility. (The) chairman cannot make the call by himself," Megat Najmuddin said.

Dr Nungsari confirmed his contract

termination when contacted by TMR. He hoped that Mara could remain professional and not be used as a political platform by politicians.

"There must be a clear separation between policy which is determined by the minister or government and to be executed by the council and management," he told TMR.

He also stressed that Mara should not play the Bumiputera equity or investment role because it has been taken care of by organisations like Permodalan Nasional Bhd (PNB) and Ekuiti Nasional Bhd.

University of Malaya political economist Prof Edmund Terence Gomez said major reshuffles at state-backed funds including Khazanah Nasional Bhd, PNB, the Employees Provident Fund (EPF) and Lembaga Tabung Haji (TH) could be next, in line with the political changes hitting the country.

"Apart from Mara, I am watching carefully with what is going to happen in Khazanah and PNB. These two funds control the largest amount of public listed companies in Malaysia. I will also be looking at institutions like the EPF, which is controlled by the MoF.

"In those institutions, I'm looking to see what changes will be made there and who will take over. Will Prime Minister (PM) Tan Sri Muhyiddin Yassin appoint himself as chairman of Khazanah?

"If so, who will be the minister with him in Khazanah? Will it be Finance Minister Tengku Datuk Seri Zafrul Tengku Abd Aziz

or will it be Senior Minister Datuk Seri Mohamed Azmin Ali?

"TH is also important because it has a lot of roots in the Malay heartland as well. If it were not for the Covid-19 crisis, we would have already seen these things happening," Gomez told TMR.

Replacements for the vacated roles at Mara have yet to be announced.

After PH's May 9 general election victory, sweeping changes were made at the board levels at Khazanah, TH, Petrolia Nasional Bhd and the Federal Land Development Authority, as well as and state-owned agencies and firms.

Gomez, who is the lead author of the "Government in Business: Diverse Forms of Intervention" report by the Institute for Democracy and Economic Affairs, said changes are also expected at the state level, particularly those involved in power transitions.

Selangor Menteri Besar Datuk Seri Amirudin Shari had previously said there were no plans to remove political appointees and it was "business as usual" for Selangor GLCs and statutory bodies.

"This is very important because Selangor is a highly industrialised state and they have a huge number of GLCs which contribute to the state economy.

"So here, we are seeing that it is not just happening at the federal government level, but also in states like Perak, Melaka and definitely in Johor," Gomez said.

Shocking public apathy

'Business as usual' for many M'sians on first day of restriction order

PETALING JAYA: Despite a movement control order (MCO) in place, many Malaysians continued with their favourite pastime – eating and hanging out at food courts and restaurants on the first day.

Many even took to public parks to exercise despite those having been closed down for the next two weeks as part of a move to curb the infection of Covid-19.

In **George Town**, Penangites seemed to have adopted a lackadaisical attitude and continued to gather despite the MCO coming into force.

A check in **Balik Pulau** found some residents patronising coffeeshops and getting together for their morning "coffeeshop talk" session. Although they were not seen eating food, there were drinks on their tables.

Over at the **Speaker's Square** at the Esplanade, about 15 elderly people were spotted hanging out there and chatting.

Along the promenade area nearby, people could be seen eating their packed food under shady trees.

In **Jelutong**, chairs and tables were stacked up at eateries as customers were not allowed to dine in. But this did not stop people from making a beeline to some of these eateries to order takeaway meals.

Enforcement officers from **Penang Island City Council** visited several places here, such as the Cecil Street Market, to ensure that the public fully observed the MCO.

On the mainland, a cybercafe in **Chai Leng Park**, Butterworth, was open with several customers inside.

A hawker complex near the market there was filled with customers queuing up to buy food, while some took a break and sat on the benches at the complex.

A man wearing a surgical mask, who declined to be named, said his mobile phone shop was closed and he had nothing to do at home.

"We are not gathering here, we just happened to be here at the same time to buy food," he said.

An electrical supply shop in the vicinity also saw some customers buying goods.

At **Penang Sentral**, commuters were seen passing time at some of the food outlets there, though they were not eating.

Penang Sentral employees were spotted conducting temperature screening of passengers headed to the express buses, but not on those waiting for local buses.

The **Seberang Prai City Council** said in a media statement that the public were not allowed to carry out any recreational activities at public places and recreational parks.

Meanwhile, restaurants and other food outlets in the heart of **George**

Town reportedly observed the first day of restricted movement.

Most of the nasi lemak and roti bakar stalls in **George Town** were closed while the famous Transfer Road roti canal was open for takeaway, with a handful of customers lining up.

Popular wantan mee and koay teow th'ng stalls along **Argyll Road** were also strictly serving just take-aways.

Lebuh Aceh, which is usually packed with tourists, especially during the school holidays, was almost deserted.

Restaurants in **Little India** saw customers waiting for their take-aways.

In **Kuala Lumpur**, people were seen in parks despite notices issued by Kuala Lumpur City Hall (DBKL) on the park closures.

DBKL had put up notices in all 13 of its recreational parks on Tuesday that those parks, along with its libraries and community parks, would be out of bounds to the public.

However, there were people walking and jogging at **Metropolitan Park** in **Kepong**.

As for eateries and roadside stalls, most were closed save for those that catered to takeaways and deliveries.

But a few stalls in **Brickfields** were spotted serving drinks to customers sitting at tables.

In **Sibu**, numerous food and drink stalls in the town's central market were still allowing customers to dine in despite the MCO.

It was business as usual at the central market food court as the operators continued to serve their customers, who sat down to eat.

Sibu Municipal councillor Albert Tiang, when contacted, said the council would be issuing a reminder to all the traders before noon (yesterday).

"We will issue a notice to inform them that they are only allowed to serve takeaways from now until the end of this month," he said.

He said the council would be taking stern action against those who did not comply after the notice was served to them.

"We will either suspend their licence or revoke it," he added.

Tiang said all traders would already be aware of the directive from the Federal Government.

A quick check on coffeeshops in town found that they were complying with the order.

In **Sabah**, signs of public apathy could be seen in many areas across the state, with many customers continuing to patronise food outlets in **Kota Kinabalu**.

By noon yesterday, there was little enforcement seen in areas such as **Semporna** and **Lahad Datu**, though the authorities had started to clamp down on such shops in the state capital.

Kota Kinabalu City Hall (DBKK) had ordered the suburban private "tamu" (markets) to close and observe the ruling that only allowed the DBKK-run markets to continue business.

Senior state officials expect firmer action taken across the state today to reduce crowds present in various public places.

But there were areas in and around the city that were quite quiet, with significantly fewer cars on the roads.

There was confusion among hoteliers, with some shutting down completely by midnight on Tuesday while others stayed open to serve the remaining guests.

A hotel manager questioned if they could accept new guests as hotels were now included in the expanded list of essential services.

The **Sabah government's** order to totally seal its borders also faced problems at the airport, where non-Sabahans who arrived were stopped from exiting and asked to get permission from the state secretary to enter the state.

Most officials indicated that the hiccups were being sorted out and the key aim was to keep public movement to a minimum.

The **Sabah State Security Council**, chaired by Chief Minister **Datuk Seri Mohd Shafie Adpal**, met at 3pm yesterday to address various issues.

Separately, **Selangor Crime Investigation Department (CID)** chief **Senior Asst Comm Datuk Fadzil Ahmat** said police set up roadblocks and carried out inspections on premises and public areas around **Shah Alam** and **Petalang Jaya**.

The operation started at 6pm yesterday with a total of 27 officers and 81 personnel led by state deputy CID chief (operations/intelligence) **Asst Comm Zaldino Zaludin**.

"For now, we will advise those who are outside to only leave their homes when necessary or for emergency matters."

"We also found several premises such as a car wash outlet, a restaurant and a vape shop open for business. We told them to close immediately or face stern action," he said.

SAC Fadzil said they also found a temple in **Section 7, Shah Alam**, holding its annual general meeting.

"We advised them to disperse immediately and close the temple," he said.

In **Ipo**, **Perak Information Dep-**

artment director **Mohd Taip Ubah** said they had deployed its staff to make announcements on the movement control order, as well as regulations for the prevention and control of the virus from roving vehicles using megaphones in housing areas, **Orang Asli** settlements, **Felda** settlements, villages and markets, among other places.

"We urge the public to cooperate and follow all the instructions to fight Covid-19," he said.

Open-air markets must shut

Local councils tell all street traders in S'gor to close for two weeks under restriction order

By BRENDA CH'NG
brenda@thestar.com.my

ALL open-air markets in Selangor must be closed until March 31 following a directive from the state government in a bid to help contain the spread of Covid-19.

These are farmers market, night markets and the morning markets that are set up on the roads in commercial areas of housing estates.

This move came about after the Federal Government's decision to implement the movement control order nationwide until March 31 in an effort to combat the Covid-19 outbreak.

In a circular issued to all local councils and various government departments by the state secretary, only pasar awam, supermar-

kets, grocery stores and other shops selling daily necessities are allowed to operate as usual. Pasar awam is described as wet markets housed in a building.

Apart from open-air markets, the circular also stated that street stalls were also not allowed to operate.

Only eateries that offered delivery or takeaway services were allowed to continue business during this period of restriction, it added.

A check with numerous local councils show that most had also moved to close council-owned food courts just as an extra precaution, besides tightening the rules with additional conditions.

In Petaling Jaya, the city council (MBPJ) has ordered roadside hawkers, street market traders and stall owners at council-run food court to cease operations temporarily.

"The brick-and-mortar type of markets are allowed to operate.

"Markets that operate on the street must stop operations until March 31 in accordance with the directive from the state government," said MBPJ Corporate Communications assistant director Ahmad Iskandar Mohamed Mukhtar.

He cited the Petaling Jaya Old

Town market in Jalan Othman as an example of a pasar malam because it is housed in a building.

He also reminded eateries that were allowed to open, to only offer takeaway and delivery services.

"If they are open, it has to only be catering for takeaway, so it should be prepacked food or food that can be picked up immediately after an order is placed," he said, adding that they were not allowed to even display food items in their respective premises.

Over in Shah Alam, its city council (MBSA) has also directed all food operators including food trucks, food kiosks and at markets to close.

The council only exempted eateries that catered to food delivery services or sold prepacked food at

their premises for takeaway.

"We have already issued notices to shut for these two weeks and we hope that all will adhere to the rules set.

"All this is done under the Prevention and Control of Infectious Diseases Act 1988 and action can also be taken under that Act," said MBSA Corporate Communications head Shahrin Ahmad.

In a statement issued by Subang Jaya Municipal Council (MPSJ), its president Noraini Roslan said food courts would be closed during this period under the movement control order.

"We have disseminated instructions to the respective premises to stop operations and this includes morning and night markets, pasar karat and car boot sales," she said.

Talian Kasih back in service

Hotline operational following criticism over two-week shutdown

PETALING JAYA: The Talian Kasih hotline, which was initially suspended for two weeks due to the movement control order (MCO), has been reactivated, says Women and Family Development Minister Datuk Seri Rina Harun following criticism from politicians and women's groups.

"Talian Kasih will be continued with its present aim of receiving complaints pertaining to women, family and community issues, particularly to address emergency incidents involving welfare and community," she said in a statement yesterday.

At the same time, Rina also said the government decided to set up a special hotline (03-8888 2010) to address questions and complaints by the public on any issues relating to the MCO, which was imposed due to contain the Covid-19 outbreak.

Yesterday, Rina drew criticism from politicians and NGOs after a tweet by the Women and Family Development Ministry announced that the Talian Kasih hotline would be suspended for two weeks from March 18-31. The tweet, however, was deleted shortly after.

Moments later, a check by *The Star* on the Women and Family Development Ministry Twitter account found that it announced the reactivation of the Talian Kasih hotline.

"Thank you for the feedback. We

would like to inform you that the Talian Kasih 15999 and also 019-261 5999 on WhatsApp will be in operation again."

Former women, family and community development minister Datuk Seri Dr Wan Azizah Wan Ismail regarded the Talian Kasih hotline as an important service that should not have been shut down for the MCO.

"Just because everyone is told to stay at home, it does not mean they do not have any issues, or there won't be missing or abused children.

"In fact, in a situation where people are told to stay at home for a long period of time, this hotline can be important to those facing problems or depression," she said.

Her views were echoed by her former deputy, Hannah Yeoh, who pointed out that the Talian Kasih hotline was to ensure that emergency hotlines such as 999 and 112 are not burdened with many other issues.

"Talian Kasih must be seen as an essential service because during such times, the targeted groups are in the most vulnerable position.

"The decision to temporarily shut down Talian Kasih would not have happened if a member of the National Security Council (NSC) was previously the first woman deputy prime minister, who's also the women, family and community development minister," she said,

Talian Kasih will be continued with its present aim of receiving complaints pertaining to women, family and community issues, particularly to address emergency incidents involving welfare and community.

Datuk Seri Rina Harun

referring to Dr Wan Azizah.

Sisters in Islam executive director Rozana Isa questioned the initial suspension of Talian Kasih, as she pointed out that this was a time when women and children might need help the most.

"When NGOs like the Women's Aid Organisation, Women's Centre for Change (WCC) in Penang and others can continue their services, can't Talian Kasih continue even for a few hours a day?" she asked.

WCC programme manager Karen Lai also questioned the ministry's decision to suspend the service at a "critical time".

"Violence against women and children often takes place at home and with the restricted movement

order in place, it makes things more difficult for women and children who are vulnerable to violence," she said.

WCC executive director Loh Cheng Kooi agreed, saying: "Even with limited resources, women and children's NGOs like WCC are still running our services, with our social workers working from home."

In January, Dr Wan Azizah said the Talian Kasih hotline received 25,868 calls last year, with an increase of over 70% compared with 15,046 calls in 2018.

Child abuse and domestic violence made up the bulk of the total calls received in Talian Kasih, Dr Wan Azizah was quoted as saying.

Free installation of water-efficient taps for B40 group

By BRENDA CH'NG
brenda@thestar.com.my

THE people of Selangor are encouraged to switch over to water-efficient taps to save water by around 50% while reducing their bills.

To kick-start the effort and raise awareness, the National Water Service Commission (SPAN) and Pengurusan Air Selangor Sdn Bhd (Air Selangor) have changed 176 taps at houses in Kampung Rantau Panjang, Klang, for free.

"This is part of our efforts to reach out to the B40 community and raise awareness on the importance of using water wisely," said SPAN chief executive officer Datuk Ahmad Faizal Abdul Rahman at the village.

He said Air Selangor would carry out more of such programmes for the B40 group statewide soon.

Selangor is the third state to get onboard the programme, with Pahang and Perak being the first

Dr Daroyah (left) testing out the newly installed water-efficient tap at Norazeen Hassan's house in Kampung Rantau Panjang in Klang. Looking on is Ahmad Faizal.

and second, respectively.

In the third quarter of the year, the programme will be introduced in Melaka and Negri Sembilan to bring the total number of households receiving such taps to 880.

Apart from the taps, homeowners were also encouraged to switch

to other SPAN-certified water-efficient products, such as shower head, washing machine and toilet bowl.

"Changing to water-efficient products means that water output is reduced by almost half, and this does not disrupt or change

the amount of time one takes to shower.

"If you use 10 litres to shower for 10 minutes, you will only use five litres for the same duration with the efficient taps," he said.

Ahmad Faizal added that SPAN was giving out the taps, which could cost between RM50 and RM60 in the market, to B40 households for free.

Also present during the programme were Air Selangor director and operations head Abas Abdullah and Sementa assemblyman Dr Daroyah Alwi.

"The state is always proactive in carrying out awareness programmes on the importance of saving water with our Save Water campaign that started in September last year," said Dr Daroyah.

A study by the state last year showed that a person who used 232 litres per capita per day reduced their water usage to 180 litres after the campaigns and programmes.

Gombak Setia state rep joins Bersatu

By WANI MUTHIAH
wani@thestar.com.my

KLANG: Gombak Setia assemblyman Hilman Idham (*pic*) has joined Parti Pribumi Bersatu Malaysia (Bersatu), increasing the party's representation in the Selangor legislative assembly to seven.

Hilman, who is former PKR deputy president Datuk Seri Azmin Ali's political secretary, joined Bersatu soon after he was expelled from PKR recently.

When contacted, Hilman said PKR has given him the boot due to his alliances.

"I was sacked on March 1 for standing together with Azmin and 10 other MPs, whom were all trying to put an end to efforts aimed at overthrowing then prime minister Tun Dr Mahathir Mohamad," he said.

Hilman said due to not having a party platform, he decided to join Bersatu to serve his voters better and work closely with the government of the day.

"My main focus now is to strengthen political stability and restore people's confidence," he said.

Hilman added that he was willing to continue collaborating with any party wanting to work together to protect the interests of voters in his constituency.

"We will continue to serve the people, as well as organise programmes and channel aid to the needy," he said.

Hilman said the political crisis, as well as the stand taken by the Selangor government, would not dampen his fighting spirit to continue serving the people.

Having been a PKR member for 10 years, he said his sacking was indicative that the party was

no longer relevant in the struggle to defend the interests of the people.

Menteri Besar Datuk Seri Amirudin Shari, who was previously aligned to Azmin's faction, has thrown his support behind PKR and the leadership of party president Datuk Seri Anwar Ibrahim.

食肆供“打包”或“外送”

90%商店關門不營業

(吉隆坡18日訊) 隨著行動管制令今日實施，雪蘭莪90%的商店都關門不營業，只有自助洗衣店、藥劑行、便利店、小販中心、茶室、咖啡店、咖啡館、診所、雜貨店、油站、雜貨批發商等開門營業。
據悉，中央政府是於日前宣布執行行動管制令，從今日(18日)至31日期間，只有部分商店或行業是可營業，但其他大部商店在期間不可營業。
但根據《中國報》記者今日在雪蘭莪一帶，在蕉賴、吉隆坡市區、半山巴一帶、甲洞、蒲種、班丹、八打靈再世的PJSS、PJS1一帶的商業區，有大约90%至95%的商店今日是關門，至於工業區則是大约95%至96%是關門。
在八打靈再世的PJSS、PJS1一帶的工業區，也是大部分工廠停止營業，只有一小部分工廠有開門，主要是從事雜貨批發業。
根據記者們觀察，今日有開門營業的計有自助洗衣店、藥劑行、便利店、小販中心、茶室、咖啡店、快餐店、咖啡館、診所、雜貨店、油站、雜貨批發商等。
隨著行動管制令于周三執行，昨天出現是否可以“打包”方式營業問題，一些今日開門營業的茶室、咖啡店、咖啡館、小食店、小販中心等，只供“打包”或者是“外送”，並不提供

堂食。
一些茶室、咖啡館和咖啡館等的業者，為了防止顧客有“坐下來”的機會，也把椅子都收置到一旁或者是疊放在桌子上。
但部分茶室因未收椅子，一些等待“打包”的顧客是直接坐下來等待，出現一兩人坐著談天的情況。

露天小販須停業
一些小食店和小販中心相信是為避免不必要的情况，也在門外高掛橫幅，注明从今日(18日)至31日，只供“打包”或者是“外送”，不提供堂食。
銀行今日如常營業，許多公眾在早上9時就已在銀行外等待銀行的開門及辦理一些銀行事務。
至於一些外賣店，例如麦当劳等，雖然只是供得來速(PANDU LALU)方式點餐，也允許顧客進入店內點餐供“打包”，不允許堂食。
同時，一些飲料門市今日也是有開門營業，但也只供“外送”或者是“打包”帶走。

電流中斷河水污染惹民怨

雪蘭莪區近日几乎是多事之秋，在行動管制令開跑前，雪州于周二下午發生雪蘭莪河水污染案，在蒲種和蕉賴區有一些地區發生電流中斷，讓居民怨聲載道。
據悉，雪河因周二下午發生氣味污染河流水質，以致雪河第1、第2、第3過濾站及三斗班過濾水站于晚上7時關閉，導致雪蘭莪多區供水受影響。
在傳出過濾水站停止運作，多個縣和吉隆坡區受到影響後，已有不少居民已忙著儲存淨水，也有居民也即往便利店等買水，以免在搶購食品之時，又要面對無水可用的情況。
這4個過濾水站也于晚上10時30分恢復運作，受影響地區的水供已逐步恢復，截至周三早上，只有巴生縣的水供還沒有恢復。
周三凌晨1時，在蒲種再世的邦普勒住宅區也一度發生停電事件，一些無法忍受悶熱天氣的居民，直接啟動車輛引擎，在車內吹冷氣，電供在凌晨3時至3時才恢復。
在清晨6時30分，蕉賴6哩村一帶也出現電流中斷情況，事後得悉原因是因為有垃圾車撞倒電柱，截至中午近1時，當地的電供才恢復供應。

五金店糾結可否營業？ 市會突擊發警告信

報導 ◆郭貞黎

(吉隆坡18日訊)在行動管制令執行后，之前一直

隨著行動管制令今日正式執行后，許多可營業和不可營業的行業中，有些是存有灰色地帶，令商家疑惑。

部分售賣應急用品

从昨日(17日)至今日(18日)，《中国报》接获许多商店和公众的询问，

包括五金店在内，也询问如果只是从事零售，或没有开门市，只是送货到建筑工地，是否可如常进行。

有部分商家表明，他们是接到其公会通知，指可以营业，他们不知如果只是送货，或没开门，但如果有顾客上门还是照样供货，是否有违例。

根据记者今日前往蒲种一带巡视，发现大部分五金店包括建材五金店、零售五金店、机构五金店等没有营业。

但在甲洞、士拉央一带则是有五金店开门营业，士拉央市议会也上门突击今日有开店营业的商店时，查获有五金店开店营业，也接获市议会发出的警告。

雪隆五金建材零售商公会秘书长刘重庆接受电访时，表明该公会确实曾于昨日发出电话短讯给会员，并传达贸消部的说明，表明零售是可营业，无论如何，他只是提供建议给会员，会员可自行决定是否要开门行业。

他指出，曾和贸消部讨论，被告知由于五金店也有售卖一些应紧用品和水电供材店，例如手套、口罩、消毒液、消毒搓手液、电线、水管、水喉、消防措施、家庭日常用品等，如果是持有零售执照，而不是批发执照就可开门营业。

他说，他们是从事五金零售店，根据政府之前的宣布，应该是有包括五金零售店在内。

“据了解，部分五金店今日是有开店，我本身也是有开店，但有部分会员则是选择关店14天。”

在纠结可否如常营业的五金店，部分业者今日如常开门做生意，但有部分是关店，士拉央市议会今日在展开突击行动时，也发出警告信给区内营业的五金零售店。

士拉央市议会执法人员对违例业者进行取缔，并开出罚单。

(士拉央18日讯) 为防止新冠肺炎疫情扩散，中央政府实行行动管制令，雪州士拉央市议会在措施进行首日，采取主动配合，取缔无视该项措施的商家。

市议会公关组主任莫哈末金今日发出通告指出，市议会执法人员在这项措施执行的首天就在士拉央再也一带发现仍有部分厂家、商家依然如常操作。

他说，这些无视行动管制令，如常操作的商家、厂家，包括，摩哆修理店、轮胎

店、洗车厂、小贩和江鱼仔批发商等。

他指出，市议会执法人员也为此，援引1988年传染病预防和控制法令（342条文）开出罚单给违例者，一旦罪成，可被判坐牢不超过2年或罚款或两者兼施。

他强调，市议会慎重看待此事，同时也希望商贩勿对此措施做出挑战行为。

士拉央市议会执法人员在行动管制令执行的首日，发现士拉央再也一带仍有不少商家、厂家如常操作。

雪州宗教局即起至417 禁宗教場所辦婚禮

(吉隆坡18日讯) 配合政府实施行动管制令，雪兰莪宗教局 (JAIS) 即日起至4月17日，禁止穆斯林准新人在公开宗教场所，如清真寺与祈祷室等地举办婚礼。

雪州宗教局发表文告指出，凡在此期间举办婚礼的穆斯林新人，必须遵照新程序，即任何婚礼必须在住家进行，同时限制出席人数及婚礼时间。

“只有婚礼宣誓官或助理宣誓官、准新郎、准新娘、1名监护人、2名见证人、2名新郎代表及2名新娘代表，可出席婚礼，且结婚仪式必须在20分钟内完成。”

文告提及，新郎与新娘都不能与宣誓官进行握手等近距离接触，同时必须遵守卫生部的防疫措施，当中包括自行准备搓手液、口罩及保持安全距离。

“婚礼后的晚宴一律被严禁，一旦发现任何一方在新冠肺炎检测呈阳性，必须立即取消结婚仪式。”

(吉隆坡18日讯)雪州民政党主席拿督洪进达炮轰雪州水供管理公司已成雪隆及布城，唯一的水务管理者，然而其管理水供的能力与服务，让人不敢恭维。

“同样的问题，多年来不断重复上演，甚至是在

重组计划完成后，水供问题却无法解决，这不仅暴露其在管理与规划上的无能，更显示高层们对于水源需求，在如今这关键时刻的重要性毫无警觉。”

他针对昨夜雪州4个滤水站紧急关闭一事，发文告说，州政府虽在数小时后

問題不斷上演 洪進達炮轟水供公司

就宣布恢复运作，然而今日为行动管制首日，当断水消息在昨晚释出时，就加剧民众恐慌。

“享有乾淨水源本是基本权利，付费却得到是三流的水供服务，雪州政府是否意识到问题所在？”

他说，州政府多次吹嘘一旦州政府完成水供重组，将改善保养工作，然而如今事成后仍未见问题获得高效改善，反之愈发糟糕。

他指出，州政府既然没有能力，又何苦多年来如此大费周章与中央政府谈

判接管水供，甚至天价进行收购，背后真正的目的又是什么。

“水供管理公司必须对水供问题不断困扰商民而负上责任，若无法履行职务，则应请辞，而不是让广大民众继续为他们的无能买单。”

“紧要产品”制造商 阿兹敏：允许营业

(吉隆坡 18 日讯) 国际贸易及工业部长拿督斯里阿兹敏阿里指出，涉及制造和出产定义为“紧要产品”的制造商是允许营业。

阿兹敏阿里披露，为保证人民基本服务不会在管制令期限内受到影响以及减少供应链干扰，他已经和业内相关人士洽谈，以针对政府执行的策略收集相关意见。

他强调，有关的洽谈

是符合卫生健康规定。至于洽谈获得的成果是，政府会考量和批准涉及制造和出产定义为紧要产品的制造商继续运作（即符合国家安全理事会于 3 月 18 日声明中的 A 附件）。

阿兹敏阿里发表文告指出，就如国家安全理事会的声明，有关批准是要根据相关的条件，以确保达到控制新冠肺炎蔓延的首要目的。

他说，严厉的卫生指南

包括要保持社交距离，而且在管制令期间获准营业的制造商的职员必须实行消毒程序。

他说，所有单位受促遵守国家安全理事会指南，以确保行动管制令能达到成效，而人民的健康与安全仍会是政府首要考量。

他说，贸工部接下来会和业者确定有效的执行方式。

“我今早已经与新加坡贸易与工业部部长陈振声联系，商议现下情况所需采取的措施。”

他说，政府也会继续监督情况，应对和解决一切与疫情有关的挑战。#

两国贸工部长同意 马新供应链正常运转

(新加坡 18 日讯) 国际贸易及工业部高级部长拿督斯里莫哈末阿兹敏阿里与新加坡贸工部长陈振声今早对话，两人同意，确保马新之间的供应链保持强劲和正常运转，符合双方利益。

《联合早报》引述陈振声在面簿透露的这项进展。两人也同意，必须让员工和企业保持信心，以克服 2019 冠状病毒病带来的挑战。

他说，大马已实施行动管控指令，但新鲜食品的供应并未

被干扰，多数批发商和零售商自今早开始照常收货。药品和婴儿尿布等其他商品也能够运抵新加坡。

但一些公司反馈，没有载送食品的卡车被禁止前往新加坡。陈振声说，政府正在密切监督情况，并与大马当局保持联系，确保食物和其他商品仍能运进，如大马首相慕尤丁在与新加坡总理李显龙通话时所答应的。

一些公司也启动替代运输安排，改而通过海运和空运，

将货物从大马运到新加坡。

陈振声说，新加坡政府经济部门正在与当地公司合作，尤其是与那些提供基本产品和服务的公司，以最大程度地减少对供应链的干扰。

较早前，我国首相丹斯里慕尤丁向新加坡总理李显龙保证，为确保两国人民的共同利益，马新之间包括食物和重要物资的货物流动不会中断。

马新之间的货物运送不会因为马来西亚实施行动管控指令而中断。两国同意成立特别

工作委员会，提出缓解计划，确保两地人员、货物和服务能安全、可持续地流动。

新加坡政府昨天也重申有足够的粮食储备，足以供应一两个月的食品。

马新的供应链将保持强劲和正常运转，符合双方利益。

阿米鲁丁在昨日举行的州议会上，针对双溪班让区州议员英然的口头提问，作出上述回应。

雪隆星光嶺山
爬山公會

山友互照應 享受登山樂

報導 ▶ 陳佩莉

爬山是一个独立个体即可进行的活动，但在公会的组织下变得更有凝聚力，让一群均热爱登山运动的朋友拥有一个平台，互相分享爬山的乐趣。
今期的《奇门早馆》带大家认识甲洞社区所成立的爬山公会——雪隆星光嶺山爬山公会 (Kelab Pendaki Bukit Sri Bintang Selangor & Kuala Lumpur)。

雪隆星光嶺山爬山公会是于去年9月13日正式成立，目前约有175名会员，大部分都是居住在附近一带，包括来自甲洞或泗岩沫的居民，而他们彼此都是老相识，为一起爬山长达十多年的山友。

蔡宗荣
凝聚山友互相照應

雪隆星光嶺山爬山公会主席蔡宗荣及秘书蔡宗荣指出，他们都是爬星光嶺山的山友，而会员原本都是各自活动，或是分开一小组一小组地爬山，后来在当地国会议员的建议下，才决定成立一个公会，将所有山友凝聚在一起。
“公会的成立主要是为了在发生任何事情时可以有照应，包括互相通知任何事情的发生。”

他们说，该会成立的时间不长，目前依然在积极招募会员，其中不少在长期在当地爬山的山友都已加入该会，其中最年轻的有21岁，最年长的为78岁。
他们也说，自该会正式成立后，也在星光嶺山脚下及山腰挂上招募会员的消息，其中在山腰的亭子里也放有人会表格，让有兴趣的山友自行填写及呈交入会表格。

爬山作为日常活动

蔡宗荣透露，该山约有825公尺高，爬到山顶时可眺望甲洞市中心或甲洞区内的风景，因此吸引了不少附近居民将爬山作为日常运动及活动。

他说，该会的会员大多都住在附近一带，几乎每天都风雨不改地固定会来爬山，即在下雨也不影响他们爬山的兴致，而爬山的时段分别是在早上天还未亮时，以及傍晚太阳下山前的时段，每天爬山的人约有百人以上。
此外，他也说，在吉隆坡区内很难找到一座可以进行爬山活动的山，因此该山也吸引了不少外地人，包括来自附近的金时，或是更远的八打灵再也及蒲种居民，尤其在星期六日会吸引约200人到场。

蔡宗荣也说，到该山爬山的山友虽然早已认识，但起初在没有组织的情况下各自行动，而在该会正式成立后，也开始更组织化地进行活动，同时举办活动邀请所有会员参加。

获林立迎巧巧双拨款

他指出，该会在正式成立后曾获得甲洞区国会议员林立迎及泗岩沫国会议员杨巧巧的拨款，这些款项也用于该会的运作及举办活动。

他说，该会在去年曾举办一场中秋活动，邀请会员一起到山顶庆祝节日；早前也曾组织到马鲁冷一日游，在号召下获数十人的参与，一起租巴士前往目的地。

他说，该会接下来也计划举办更大型的活动，包括计划将于4月组织到西海峽群岛安山山。

此外，他说，该会也有妇女组，而会员中也各自有不同的兴趣，并各自举办不同的活动，通过群组内的通知及号召会员及其他山友的参与。

雪隆星光嶺山爬山公会的聚集地三三就教于星光嶺山，会员在山脚下的休耕地相聚一起爬山，或是登山后在山腰的小亭子休息，泡一壶热茶一起喝茶聊天。
该会的理事指出，该山里所有设施都是由公会及山友共同打造，包括山脚下设有亭子及桌椅，山腰也设有凉亭让人可暂时休息，以及各种运动健身器材，让山友除了爬山，也能在山林中做运动。
他们也说，至于山腰上也同样搭出一个亭子，里头还准备了简单的炊具，山友可以在登顶后在亭子喝茶欣赏风景，也可以与同伴坐下休息聊天。
“这些用具及设备都是有公会及山友拨款购置，包括亭子或山上的运动器材也是我们自行搭建。我们也会在亭子内记录下所有摄影的资料。”

申请地段进行美化

他们也透露，该会有意继续美化该山，目前也申请将山下一片属于国能拥有的地段进行美化工作，将该山打造得更具吸引力。
“我们都有共识，会照顾山里的卫生清洁，绝对不会乱丢垃圾，同时我们也自行购置木制的器具，在发生树枝倒下等情况时展开清理。”
他们补充，爬山或在山里举行的活动都是十分开心，大伙在山上相遇时互相打招呼，可说是很热闹的。

山友自行打造运动器材，让所有爬山的朋友都能享受在山林里做运动的乐趣。

雪隆星光嶺山爬山公会的会员几乎每天风雨不改地爬山，即使遇上坏天气也会照常爬山。

星光嶺约825公尺高，爬到山顶后可将甲洞区的风景一览无遗，而雪隆星光嶺山爬山公会是有意继续美化该山，打造更具吸引力的休闲地。

一成立不到一年的雪隆星光嶺山爬山公会已有近200人的参与，而公会目前也积极招募更多山友加入。

星光嶺山以山林路为主，但地势不高且足以攀爬，因此吸引不少附近居民前来爬山。

山顶是雪隆星光嶺山爬山公会最佳的休闲之地，在登顶后跟同一群朋友一起在凉亭里喝茶聊天。

雪隆星光嶺山爬山公会花心思地在星光嶺山脚下布置一番。

凉亭内贴有不少爬山相关的资讯，以供会员及其他山友阅读。

所有报团及捐款已派至所需用具及设备的资料都会凉亭里贴出。

山顶亭子里的信箱内放有入会表格，让有兴趣的山友自行填写以申请入会。

管制期間中止服務挨轟 婦女部恢復關懷熱線

(吉隆坡18日讯) 妇女及家庭部之前宣布在行动管制法令生效的14天期间中止供受害妇女、儿童及弱势群体寻求援助的关怀热线服务, 结果引起挞伐; 该部长拿督斯里丽娜哈仑于今日发文告宣布恢复这项服务, 并感谢各方的意见。

前副首相兼妇女及家庭发展部长拿督斯里旺阿兹莎、前妇女部副部长杨巧双及巫统边加兰国会议员拿督斯里阿莎丽娜皆炮轰妇女及家庭部, 在行动管制令期间中止15999关怀热线的决定。

提供特别专线谘询疫情

丽娜哈仑于今日发文告说, 政府决定提供一个特别专线, 即03-8888 2010, 让民众就冠病疫情谘询, 有关专线是由国家安全理事会所协调。

“与此同时, 在考虑到妇女、儿童、残疾人士及乐龄者的需求, 政府也同意该部属下的关怀热线如常运作。15999关怀热线及019-2615 999的关怀WhatsApp热线, 将全天候24小时运作。”

在这之前, 旺阿兹莎批评该部在行动管制期间停止这项服务。

“只因为所有人被要求待在

家, 不代表他们不会有问题, 或是不会有孩子失踪或被虐待。因此, 在人民被要求长时间待在家的情情况下, 关怀热线对面对问题或犹豫的他们来说就更加重要了。”

杨巧双也对丽娜哈仑作出了与旺阿兹莎同样的呼吁, 并强调这个热线应该被视为基本服务, 因为这是妇女、儿童、乐龄及残疾人士最脆弱的时候。

“关怀热线服务应该继续, 为儿童、乐龄人士、残疾人士及家暴受害者提供保障, 这也能确保999及112热线不会被其他课题所干扰, 可以专注在行动管制令所引发的安全问题。”

阿莎丽娜则是在推特点名作为妇女部长的丽娜哈仑, 表示国家安全理事会并没有指示终止热线服务, 质问丽娜哈仑并要求她解释。

她张贴国家安全理事会公布的基本服务列表, 其中写道热线服务将会如常运作。

阿莎丽娜也转发了妇女部原本宣布暂时中止关怀服务热线的推文, 并写道: “真的假的? 不要关闭所有的线上服务!”

“与警方合作寻求立即见效的解决方案! 儿童在这次危机中是更加脆弱的!”

雪防疫小組覲見蘇丹 匯報州內最新疫情

（沙亚南18日讯）以前任卫生部长拿督斯里祖基菲里为首的雪州“防疫专案小组”昨日前往武吉加央安王宫覲见雪州苏丹沙拉弗丁，汇报雪州的最新冠病疫情。

雪州王宫办公室发文告说，苏丹殿下也想知道该小组在防疫上有什么建议，比如需采取怎样的举措和最新进展等。

陪同覲见雪州苏丹者也包括雪州宗教局（Jabatan Mufti）、

雪州伊斯兰理事会（MAIS）及雪州宗教局（JAIS）代表。

据知，“防疫专案小组”于本月10日（星期二）所成立，主要是为了与“精明雪兰莪指挥中心”合作，监督冠病疫情和设法防疫。除了前卫生部长祖基菲里，其他成员包括前副卫生总监（研究与技术支持）拿督李国忠、叶医生、阿迪巴卡玛鲁查曼教授、阿都拉昔教授及拿督法兹拉。

雪州目前也已设立“线上平台”，方便雪州子民第一时间获取州政府针对防疫工作所采取的措施资讯。

雪州大臣拿督斯里阿米鲁丁说，雪州子民可浏览<https://amirudinshari.com/covid-19>，以取得相关资料。

“只供打包不可堂食”

議員派暖心貼紙防疫

報道 ▸ 林淑敏

(万挠18日讯) “只供打包、不可堂食”
创意暖心贴纸免费送，一目了然没烦恼!

为免熟食业者需要大费唇舌向客人解释行动管制令不允许堂食，引起诸多争执，万挠州议员蔡伟杰联同商家联手制作100张3语暖心贴纸免费派送，减少因为“口沫横飞”而造成的病毒感染!

蔡伟杰(左)将暖心纸贴派送予万挠珍珠街熟食业者。

蔡偉傑：聯同商家列印貼紙

蔡伟杰表示，在管制令开跑防疫之际，考虑到业者在百忙之余，很可能仍需应付客人的询问，于是联万挠珍珠街商家设计与列印了贴纸，说明买卖仅限打包，不设堂食，减少双方在语言上的交涉，避免任何病菌通过飞沫传播。

“同时，我们也不希望有不明就里的食客坐在店内等着堂食，引起纠纷和导致店主受到士拉央市议会以及警方的检举，而遭到罚款和面对刑事处罚。所以，我们特别以红黄黑3色，设计出亮眼吸睛的贴纸，盼望让更多人明白状况。”

蔡偉傑服務中心暫關

蔡伟杰指出，制作贴纸也是为了抛砖引玉，让更多人仿效，达到利人利己的目的。“在疫情肆虐的紧张时期，大家都心绪急躁，贴纸算是软性提醒各界不要在餐馆内堂食和聚餐，让大家更容易接受安排，一起渡过艰苦时期。”

尽管部分业者并未开档，蔡伟杰依然为他们把纸贴贴在档口当眼之处，免他们在开业时面对困难。

“根据1988年传染病控制及防范法令，若任何人在行动管制期间聚集，则被视为抵触刑事，可被判最高监禁5年或每日罚款2000令吉。”

蔡伟杰是在珍珠街茶餐室和餐馆派送贴纸后，告诉《大都会》社区报记者，他将转往万挠新村和李金狮村做派送，直至100张贴派为止。

有关贴纸是以英文和中文写明只限打包，不可堂食，另在下方以马来文呼吁民众携手抗冠病，使人一目了然，让业者和店员可以省下唇舌做解释，安心做生意。

“我将在个人脸书上载贴纸图片，欢迎大家取用，打印出来张贴在店前或档口上。”

另一方面，他也指其服务中心也因为管制令而即日起关闭，直至4月1日。“这段期间，面对困难的民众依然可通过电邮khidmatrawang@gmail.com，或拨电016-6600 836、016-3068 756、014-6606 680向我的服务中心助理做投诉。”

士拉央市會執法隊巡邏

抗令營業接警告信!

(士拉央18日讯) 在行动管制令实施首日, 仍有摩哆车修理店、轮胎店、洗车场、江鱼仔批发厂和小贩依然照常营业。

市议会公关主任莫哈末晋发表文告指出, 为了确保各界遵守管理令, 执法大队今早已四出巡逻, 结果在士拉央多区发觉仍有许多商贩公然违抗防疫指示, 继续营业和摆档。

市议会执法人员戴上口罩, 检举路边档业者。

摩哆修理店并未遵守管制令, 遭执法人员警告。

有轮胎店抗令, 继续打开大门做生意。

江鱼仔批发厂并未停工, 遭到市议会的严厉警告, 若再犯有关业者将面对两年监禁的刑罚。

再犯將被罰款或監禁

“我们已发出多张警告信, 指示顽固的商贩必须立刻停止营业, 避免冠病扩散。若商贩漠视警告信, 继续再犯同样的错误, 则依据1988年传染病控制及防范法令第24条文, 有关商贩可被罚款或监禁不超过两年, 或两者兼施。”

他在文告中强调, 市议会严正看待为了防疫而实施的行动管制令, 打击违法商贩绝不手软。

“市议会呼吁商贩不可挑战律法, 以免病毒在管辖区内散播和传染。违反行动管制令的任何商业活动, 可被判监禁不多于2年。”

巴城路巴利律多街口依旧营业，民众也涌入购买日常食材所需。

联邦政府实施行动管制是为了减少民众聚集，避免疫情传播，但大量民众涌入早市，大家近距离购物，难免引起忧心。

巴生市议会执法人员在警方陪同下到巴生永安镇进行执法行动，只要发现有早市小贩在营业，就勒令马上收档。

無視行動管制令

檔菜照開買

一些民众不理會行動管制令，執意在茶室享用早餐。

報道 陳佩莉、陳烜諭

(吉隆坡、巴生18日讯) 全国行动管制令实施首日，各地方政府的早市理应关闭不能营业，但雪隆几乎所有早市依旧人潮拥挤，90%的小贩继续营业，而民众依然“贴身”争相在购物，似乎看不出有在行动管制令。

尽管吉隆坡市政、雪州政府和各地方政府于昨日下午宣布所有早市都不被允许营业，但据《大都会》社区记者了解，雪隆大多数早市，今早仍有许多小贩在营业。

民众在茶室享早餐

根据观察，所有早市今早都有上下的民众涌入购买日常食材所需，仿佛与一般日子无异，似乎没有在意防疫，反而是在排

生意！
也因此，令人忧心的是政府实施行动管制，就是为了避免民众聚集，引发大规模交叉感染，但民众如今争相涌入早市，大家互相近距离或贴身在买菜，让人不禁怀疑是否会加剧疫情发生。
不仅如此，记者也发现早市附近的茶室，尽管已收起桌椅，但一些冥顽不灵的民众却执意拿桌椅，坐在茶室内“享受”早餐，完全不理會限行令，令人颇为恼火。

执法人员要求速收档

另外，各地方政府也派遣执法人员和警方今早到各大早市展开执法行动，要求小贩尽快收档，否则将被对付。
不过，各地方政府的执法标准并不统一，一些早市只有给予劝告及通知，一些早市则勒令马上关闭，甚至执意不听劝告者被对付。

各地方政府一大清早即派员巡视露天巴刹，并视小贩必须收档暂时停止营业。

市议会执法人员通知早市小贩，行动管制期间都不能摆摊。

巴生永安镇早市小贩经过执法人员劝告，陆续继续在收档。

小販 政策混淆不明確

对 于巴生大多数小贩摆摊一事，许多巴生的小贩向媒体直呼政府的政策不明确，加上未有官员前来通知，所以才照常摆摊，并非刻意违例。
小贩披露，许多小贩对于早市不能营业都不知情，尤其政府早前指巴刹能营业，理所当然认为早市同样可以营业。

小贩说，一些小贩昨晚看到新闻指早市不能营业，但却没有地方政府官员给予通知，令他们相当混淆。
“既然超市和巴刹可以营业，为何早市却不能营业，尤其若以减少人群为由，超市也涌入大量的人潮，那是否也该禁止营业呢？更何况许多早市都是露天，并非封闭空间，相比超市和巴刹比较封闭，疫情的传播不是更不利？”

葉金發

突要求關閉損失慘重

无 论如何，巴生市流动小贩公会主席叶金发表表示，政府突然要求露天巴刹必须关闭，造成小贩面对损失惨重。

他说，首相宣布行动管制令时表示，早市巴刹被允许照常营业，因此不少小贩都已经大量进货，准备应付市场需求，如今宣布露天巴刹必须关闭，小贩们该如何处理所进的货，尤其是蔬菜水果等生鲜食材。

他也说，大部分小贩都是依赖巴刹的生意维持生计，倘若无法开档做生意将会面对手停口停的窘境，尤其这次的行动管制令长达14天，而非两三天的事情。

吁叫卖食材小販摆攤

他呼吁政府必须公平对待所有的小贩，重新考虑及给予宽容让售卖食材的小贩可以摆摊，否则就应该给予受影响小贩补助津贴，也解决他们维持生计的问题。

嚴玉梅 解釋禁令勸導收檔

巴 生市议员严玉梅巡视巴生永安镇早市后表示，配合联邦政府实施行动管制，巴生市议会执法人员在警方的配合下到永安镇早市进行执法行动，不过主要是限制和劝请小贩遵守限行令。

她说，由于今日是行动管制的首日，永安镇早市小贩可能不理會有关禁令，所以市议会执法官员只给予解释和劝导，并给予小贩时间收拾离开。

她说，执法人员对小贩都有好言相劝，并且给予充足时间收拾档口，但小贩若是不愿收档，才会被对付。

未接通知露天巴刹繼續營業

至 于吉隆坡方面，不少露天巴刹而小贩在未能及时接获通知下，今日依然照常开档做生意。

为吉隆坡区内最大露天巴刹的半山芭巴刹，今日同样照常营业。

蔡俊利：

看到消息时已准备开档

半山芭巴刹小贩公会署理主席蔡俊利透露，该巴刹并没接获任何通知，

而是在网上看到露天巴刹必须关闭的消息，惟当时巴刹已开档，他们已做好开档营业的准备。

“听顾客说，有官员早上在巴刹周边巡视，劝告路边摊不能继续营业，惟他们并没有进入巴刹内，我们目前依然未接获市政局的告知。”

他说，他今日也曾与小贩公会主席作出商量，同时在向向市政局官员时确定巴刹是不允许营业。

單敬茵 暫口頭通告

吉 隆坡市政局咨询理事会成员单敬茵受询时指出，市政局是根据国家安全理事会的指示下，

勒令区内所有露天早市巴刹、夜市、市集、路边摊小贩等必须暂时关闭，惟今日依然有不少露天早市巴刹小贩依然开档营业。

“市政局是在下午发出通知，虽然时间是有些迟了，但是也是在接获国家安全理事会的通知下，便即刻作出宣布。”

她说，根据她向市政局执法队了解，今日会派出队伍进行巡逻，惟警

时仅会以口头劝告及驱赶方式进行，不会采取严厉的执法行动。

她也说，隆市内有不少地方将会受影响，其中包括半山芭一带的早市，或是阿罗士打、

路边摊小贩也必须关闭，至于警方也不允许堂食，只能提供外卖服务。

黃偉強 (士拉央市議員)
遵守州政府決定

“市议会将会遵守州政府的决定，区内所有露天巴刹、夜市及二手市场都不允许营业，同时也在今日派员前往巡视情况。”

惟市议会目前也暂时停止运作，官员也告知在缺乏人手下是需要大众给予合作，遵守政府所下达的指令。

另外，士拉央区内大部分巴刹都是有盖巴刹，因此影响并不大，目前也暂时没有接获相关的投诉。”

孫女士 (萬津直落崙崙居民)
禁早夜市影響生活

“政府禁止早市和夜市小販營業，對沒有室內巴刹的地區居民構成不便。萬津直落崙崙路早市迷你巴刹周三早上就有大批便服執法人員前來趕人，不僅影響到小販生計，也讓采買日常用品的居民感到困擾。”

大部分超市的日常用品

近日已被採買人潮清空，若連早市也不能擺檔，要居民如何生活？尤其家庭成員眾多的居民，要大量囤貨是很困難的。

我希望政府体谅小販和人民，既然夜市已經不允許營業，那至少讓早市小販如常擺檔，確保民眾仍能購買到日常用品。”

黃女士：須強制小販戴口罩

“在一個非常時期，政府有必要強制所有小販戴口罩，不僅是為了避免冠狀病毒傳染，也能防範流感等其他疾病問題，且也相對較為衛生，否則口水亂噴，令人困擾。”

謝秀 (巴生市議員)
盼小販諒解政府措施

“由於官員未通知小販，巴板路早市的小販都不知道早市不可營業，不過執法人員已於今早逐一向小販發出警告，明日起至行動管制期間，都不可再營業。”

執法人員將在明日清晨5時30分就會將巴板路“封路”，避免小販進入擺檔，不過若小販執意要營業，警方就會介入執法。

我能明白小販們的困境，但如今疫情越來越嚴重，這是逼不得已的突發性措施，若造成小販不方便，希望能給予体谅。”

柯金勝 (班達馬蘭新村鄉村管理委員會主席)
拼防疫比拼生意重要

“全國如今都在拼防疫，小販不應為了拼生意而忽略防疫的重要性，希望小販都能給予配合。”

在這“非常時期”，政府實施行動管制也是逼不得已，否則疫情若進一步擴散，不僅傷及經濟，更是威脅到民眾的性命。

不過，我也必須幫小販緩頰，政府昨天才公布，許多小販可能還未收到明確通知，才會造成小販今早還是如常營業。

我認為執法人員應主動發出警告，才能有效讓小販不再營業。”

吉隆坡有不少露天巴刹依然照常營業，其中在甲洞衛星市巴刹有一半檔口還是開檔做生意，也吸引了不少購買人潮。

巴生地區水供陸續恢復

(吉隆坡18日訊)巴生地區水供因雪蘭莪河生水發生異味污染而受影響，該區水供預料在下午6時恢復。

雪蘭莪水務管理公司公關主任阿都哈林說，該公司正努力穩定受影響地區的水供。

他發文告說，該公司已派出水槽車前往有關地區。他促請已獲得

水供的用戶謹慎用水，以確保仍受影響地區能順利恢復水供。

阿都哈林說，瓜雪地區已在今早7時全面恢復水供。

雪蘭莪河第一期、第二期和第三期濾水站，以及蘭斗班讓濾水站因在昨晚7時被發現受異味污染，而被迫暫時關閉。然而，所有濾水站已在昨晚10時30分重新投入運作。

市议会执法人员将依法充公的桌椅搬上罗里。

市議會充公桌椅檔口 取締茶室霸佔停車位

(万挠18日讯)屡劝不听,士拉央市议会再度取缔频频霸占停车位和阻碍交通,遭到投诉的万挠16英里路以及珍珠街的数家茶餐室,充公了大批桌椅和摆在马路上的档口。

市议会公关主任莫哈末晋发表文告指出,尽管多次取缔,但茶餐室业者依然故我,一再违反政府订下的营业条款。“市议会是在本月12日傍晚派出44人,连扫两地的茶餐室,充公23张桌子、90张椅子、一套炊具、两部推车和多套餐具。”

在此之前,有关茶餐室已经多次被投诉,指小贩将桌椅摆到马路中央,使双向车道缩成一条车道,导致往返车辆卡在马路上进退不得。投诉也指茶餐室收容近百档口,食客喧哗至深夜,使与店铺仅有一条马路之隔的住户饱受噪音之苦。

“执法队在同日亦派出8人,往万挠Amansiara取缔一个随处开档,阻碍公共交通的汉堡档。”文告指市议会严厉打击违例小贩,以解决当地的民生投诉。

雪水務管理：行動管制期間 續確保供應用戶清潔水

(八打灵再也18日讯)雪州水務管理公司(Air Selangor)表示,随着我国首相慕尤丁日前宣布落实行动管制令,该公司将继续确保清洁的水供应到用户家中,滤水及输送站等的水务运作也会如常进行,雪州、吉隆坡和布城的水供用户不必感到担心。

该公司日前发文告指出,配合政府进行的冠病防疫措施,该公司积极采取措施,防止其员工和用户感染冠病,其中包括劝导员工维持整洁及健康的生活方式、保持社交距离,以及避免出入人群拥挤的公共场所。

文告指出,该公司将为前来柜台处理事务的用户测量体温,并确保时常面对用户的员工真正健康,以及保持个人卫生整洁,才能与用户交流。

文告表示,为了减少紧密接触,该公司鼓励用户通过电子账单(e-billing)或Air Selangor应用程式,线上进行相关交易及事务;而在雪州、吉隆坡和布城尚未注册电子账单的用户,可在<https://update.airselangor.com/>进行相关注册。

文告提及,该公司促请用户获取如来自卫生部和世界卫生组织的可靠资讯;若员工及用户出现相关症状,需立即就医。

雪州政府宣布禁止早市，惟班达马兰巴板路早市周三早上依然有超过90%的小贩照常营业。

早市小贩拒关档 执法人员扣押执照

巴生18日讯 | 全国行动管制令落实首日，巴生永安镇早市3名小贩因拒绝配合关档，当场遭市议会执法人员扣押营业执照！

尽管雪州政府和巴生市议会日前宣布所有早夜市不准营业，惟班达马兰新村巴板路早市、班达马兰池龙花园早市、永安镇早市、中路早市和巴生卫星市早市等，皆继续营业。

根据观察，班达马兰新村巴板路早市共有300多个摊位，超过90%的小贩继续营业。就连新村内的店面，顾客也无视不得在店内用餐的禁令，擅自拿出店内的椅子就坐下用餐。

另一方面，巴生北区的永安镇早市有190多个摊位，当地小贩一大清早6点就陆续摆满摊位。市议会从8点多开始劝告，直到警方开始介入，当地小贩才不甘心地收拾离开。

巴生市议员严玉梅表示，

警方在落实行动管制令的首天配合巴生市议会在永安镇的执法行动，主要是限制和劝请小贩遵守中央政府的防疫政策，即刻停止任何露天大型活动。

小贩控诉囤货过多

她透露，由于是落实管制令的第一天，永安镇早市小贩可能不理解管制令细节，因此，市议会执照小组和执法小组在场给予解释和劝导，并给予小贩时间收拾离开。

「不过，有些小贩反驳，声称囤货过多，无法等待14天才摆摊。继续违抗市议会指示，直到警方出动介入才乖乖撤离，然而，至少有3名小贩因不愿配合而

被扣押执照。」

她也透露，警方和地方政府对于店面营业规定出现矛盾，例如迷你公市 (Pasar Mini) 的定位不明，在卖干货与湿货的定义上有所不同。为此，市议会有必要再度厘清细节。

另外，巴生市议员谢秀今早巡视班村巴板路早市后说，由于未接获通知，小贩才照常营业。不过执法人员今早已逐一发出警告，行动管制期间不可营业。

她透露，执法人员明日清晨5时30分就会将巴板路「封路」，避免小贩进入摆摊。不过，如果小贩执意要营业，警方就会介入执法。

业者模糊 首日只口头警告不开罚

吉隆坡18日讯 | 梳邦再也市议员戴祯兴指出，梳邦再也市政厅有派遣官员前往露天巴刹的地点巡视，基于大部分业者对行动

管制令仍感到模糊，因此官员首日并不会开出任何罚单，仅仅是给予口头警告而已。

「要是商家屡劝不听，仍

然执意开业做生意的话，或将遭到官员采取行动对付。」

八打灵再也市议员王友泰也透露，本身接获许多投报，指有

不负责任的民众打包食物后，利用店家提供免洗餐具的便利，直接坐在店内享用食物。

他要求，该区的饮食业者别再提供食客任何餐具，避免类似钻漏洞事件再发生，也将派遣官员到饮食场所区巡视。
