

RINGKAS

Sepang kini hampir zon merah

Shah Alam: Sepang menghampiri zon merah apabila merekodkan 40 kes aktif Covid-19 kelmarin berbanding 11 kes sebelumnya.

Berdasarkan maklumat dikongsi Pasukan Petugas Pencegahan Covid-19 Selangor (STFC) di laman web amirudinshari.com, peningkatan mendadak itu berikutan pertambahan 29 kes baharu di mukim Labu.

STFC turut memaklumkan, secara keseluruhannya 53 kes baharu direkodkan di Selangor menjadikan jumlah terkini 1,829 kes setakat 12 tengah hari kelmarin.

“Selangor mencatatkan peningkatan kes positif baharu selama empat hari berturut-turut.

“Harus diingatkan bahawa tiada lagi kelonggaran Aidilfitri pada hari ini (semalam) dan warga Selangor diminta untuk patuh Perintah Kawalan Pergerakan Bersyarat Diubahsuai (PKPBD) sepenuhnya,” katanya.

SPIKE IN COVID-19 CASES

GOVT TO OPEN TWO MORE MAKESHIFT HOSPITALS

KLH maternity ward and former leprosy hospital in Sungai Buloh to quarantine and treat migrants

VEENA BABULAL
KUALA LUMPUR
news@nst.com.my

THE government has ramped up efforts to tackle the spiralling number of Covid-19 cases among undocumented immigrants in detention with a slew of measures, including opening up two more hospitals for the group. Defence Minister Datuk Seri Ismail Sabri Yaakob said the government had identified two more facilities for conversion into makeshift hospitals to treat and quarantine immigrants.

"We were concerned that there would not be enough hospitals to treat them. The MAEPS (Malaysia Agro Exposition Park Serdang) makeshift hospital can support about 600 patients, so we decided to add more makeshift facilities to treat the (migrant) workers.

"We will use the Kuala Lumpur Hospital maternity ward building and the former leprosy hospital in Sungai Buloh for this purpose," he told a press conference yesterday.

He said for now, all the treatment facilities, including MAEPS, could support up to 1,430 patients.

"We are confident that these facilities can support their treatment if there is a spike in cases among the (migrant) community."

Malaysia's Covid-19 cases saw a sharp increase in the last two days, mostly involving immigrants held in detention in three Immigration Department depots, namely the Kuala Lumpur International Airport, Bukit Jalil and Semenyih depots.

Ismail Sabri said Malaysia would deport all undocumented workers who tested negative for

Covid-19 to their home countries.

He said the decision was made at a special inter-ministerial meeting on the management of undocumented workers that he chaired yesterday.

"We also agreed that all undocumented migrants in depots that have Covid-19-positive detainees have to be screened. Those who test positive will be sent to MAEPS for treatment.

"As soon as they test negative following their quarantine, tests and treatment at MAEPS, they must be sent back to their home countries."

He said Wisma Putra had been asked to engage its counterparts in the countries involved and foreign missions in Malaysia so that Malaysia could help them in the repatriation exercise.

Ismail Sabri said the workers would be screened before they were deported.

He said the government made the decision after Malaysia recorded a staggering rise of 172 Covid-19 cases on Monday, breaking the 21-day streak of only double-digit increases. Of the total, only eight cases involved Malaysians, with the rest being foreigners, mostly undocumented workers held in the Immigration depots.

Ismail Sabri said all officers and support staff, such as food suppliers, in depots nationwide would undergo mandatory screenings.

He said anyone linked to the three detention depots would have to undergo a swab test, adding that all officers tested so far had come out negative.

On Monday, the Health Ministry said 227 cases were linked to the three detention depots involving undocumented migrants, with those from Bangladesh recording the highest number at 53 cases.

The rest of the cases involved migrants from India (41), Indonesia (38), Myanmar (37), Pakistan (28), China (17), Cambodia (four), Nepal (three), Sri Lanka (two) and one each from the Philippines, Libya, Egypt and Syria.

Ismail Sabri said the government would not bow to critics

Health workers, with the help of policemen, taking workers from a construction site in Kuala Lumpur to a quarantine centre yesterday.

BERNAMA PIC

who slammed it for rounding up undocumented workers.

"Firstly, they were caught because under the law, they cannot be in our country without valid papers. Secondly, they should be grateful because if the workers are not caught they would be spreading it (Covid-19) to our innocent citizens.

"If they meet you (detractors), won't they give you Covid-19? We need to look after the needs of the majority of Malaysians who are complying with the Movement Control Order. We can't allow them to stay here by using human rights and freedom as an excuse.

"Our actions are to safeguard the interests and safety of our people."

Human rights groups had slammed the government for stepping up enforcement during the pandemic, saying that the move was counterproductive and

Provided for client's internal research purposes only. May not be further copied, distributed, sold or published in any form without the prior consent of the copyright owner.

would force undocumented migrants into hiding, which could worsen the spread of Covid-19.

Ismail Sabri also addressed the issue of cramped foreign workers' quarters being a hotbed for Covid-19 infection.

He said the Human Resources Ministry was expected to announce amendments to the Workers' Minimum Standards of Housing and Amenities Act 1990 on foreign workers' housing.

He said the amendment was made in 2019, but had yet to be implemented.

"It calculates floor space against the number of workers living there. I was made to understand that tomorrow (today), the human resources minister will announce the amendments.

"We have discussed this with the cabinet committee that I chaired and it has been approved during a special meeting. We have tabled a lot of policies regarding foreign workers and if the cabinet approves them, I will make more announcements."

187 new virus cases comprise mostly migrants

KUALA LUMPUR: The number of new Covid-19 cases hit three digits again yesterday, with 187 new cases, a majority of whom involved migrant workers.

Health director-general Datuk Dr Noor Hisham Abdullah said cramped living conditions and poor hygiene were the main causes of infection among foreign workers.

Speaking at his daily press conference yesterday, he said of the 187 cases, 10 were imported cases involving seven Malaysians and three permanent residents and spouses of Malaysians.

The other 177 cases involved local transmissions, including 173 foreigners. Of these, 155 were detected at the Bukit Jalil Immigration Department detention centre, while 13 were from the Cheras security guard cluster.

The number of active cases now

stood at 1,448, with all patients isolated and treated.

Dr Noor Hisham said eight patients were being treated in the Intensive Care Unit, with five requiring breathing assistance.

He said 88 cases were detected at three construction site clusters involving foreign workers, as well as one Malaysian.

He said out of 488 samples taken from a Kuala Lumpur construction site cluster, 31 tested positive, involving 29 Bangladeshi and two Indonesian workers.

For the Setia Alam construction site cluster, 91 samples were taken and 13 tested positive, all Bangladeshi workers. For the Kuala Lumpur 2 construction site cluster, 350 samples were taken and 44 tested positive, involving 34 Bangladeshi, nine Indonesians and one Malaysian.

Dr Noor Hisham said the three

clusters were detected following the mandatory Covid-19 screening for foreign construction workers in red zones in Selangor and Kuala Lumpur as required by the National Security Council during the Movement Control Order (MCO).

He said 27,383 construction workers had been screened by their respective employers so far.

"The Kuala Lumpur and Putrajaya Health Departments ordered the closure of the Kuala Lumpur 2 construction site and its *kongsi*."

He said sanitisation and disinfection work at the construction site and *kongsi* was being carried out.

He said employers should be responsible and educate their workers on hygienic practices and ensure that standard operating procedures (SOPs) were practised at the workplace and at workers' accommodations to

reduce the risk of infections.

He urged employers to ensure that beds were 1m to 2m apart, avoid food preparation and consumption in large groups, avoid crowding in leisure spaces and ensure that the accommodation, toilets and its surrounding areas were cleaned and sanitised.

"Our efforts to fight Covid-19 will be in vain unless there is compliance with SOPs at the workplace and accommodation. Efforts to resolve the issue of the living conditions of foreign workers need the cooperation of all parties and must be done holistically and comprehensively.

"The order from the council for all foreign construction workers in Selangor and Kuala Lumpur to be screened is a precautionary measure to ensure the status of their health before they are allowed to return to work."

100 kompaun dikeluarkan ingkar PKPB di Selangor

KUALA SELANGOR - Polis Selangor mengeluarkan sebanyak 100 kompaun kerana ingkar Perintah Kawalan Pergerakan Bersyarat (PKPB) di negeri itu kelmarin.

Ketua Jabatan Siasatan Jenayah (JSJ) Selangor, Datuk Fadzil Ahmat berkata, daripada jumlah itu, sebanyak 59 kompaun dikeluarkan terhadap individu yang melakukan aktiviti memancing beramai-ramai di sebuah kolam pancing ikan di Hulu Selangor.

Menurutnya, sebanyak 14 kompaun lagi dikeluarkan kepada pengunjung yang didapati ingkar PKPB dengan berkumpul di Pantai Remis, Jeram.

“Bagi kesalahan berkaitan ziarah Aidilfitri pula, sebanyak tujuh kompaun dikeluarkan terhadap tuan rumah yang membenarkan rumah mereka dijadikan tempat menyambut Aidilfitri,” katanya.

Beliau berkata demikian pada sidangakhbar di pekarangan Ibu Pejabat Polis Daerah (IPD) Kuala Selangor,

FADZIL

di sini semalam.

Fadzil berkata, sebanyak 20 kompaun pula dikeluarkan polis semasa menjalankan sekatan jalan raya terhadap individu cuba merentas negeri.

Tegas beliau, pihaknya mempertingkatkan pemantauan Ops Covid-19 berikutan masih ramai individu berdegil dan ingkar arahan dikeluarkan pihak berkuasa.

Menurut beliau, pemantauan meliputi 23 senarai aktiviti yang tidak dibenarkan meliputi beberapa aktiviti seperti hiburan dan riadah, perayaan, perarakan dan perhimpunan serta persidangan, pameran dan pendidikan.

Water provider brings festive cheer to two homes

AIR Selangor brought the joy of Hari Raya Aidilfitri to orphans and senior citizens of two homes.

The company's staff visited Rumah Penyayang Darul Ilmi in Gombak and Rumah Jagaan & Rawatan Orang Tua Al-Ikhlas in Puchong.

Air Selangor's representatives donated *baju raya*, food, everyday household items, hand sanitiser and face masks.

They also provided a wheelchair for the old folks' home.

The orphans and senior citizens also received *duit raya*.

Rumah Penyayang Darul Ilmi houses 55 children with 15 volunteers while Rumah Jagaan & Rawatan Orang Tua Al-Ikhlas has 15 volunteers who look after the needs of 43 senior citizens.

Both homes are self-funded.

In a statement, Air Selangor said it hoped the donations would help ease the homes' burden and put a smile on the residents' faces during the festive season.

FAIR DEAL SOUGHT

Landlords urged to grant deferment of rental as many businesses are facing a drop in income due to Covid-19 >2

Battling Covid-19

By SHEILA SRI PRIYA and SHALINI RAVINDRAN
metro@thestar.com.my

BUSINESSES may go bust unless something is done to reduce their overheads.

One of the largest bills they still have to foot is rental even though many are still unable to open due to the movement control order (MCO).

StarMetro interviewed a few business owners who said they were struggling to cope and may have to close shop for good unless they receive some form of assistance. All names below have been changed to protect their identities.

Struggling to survive

Jay owns and operates a children's play space in a neighbourhood mall in Selangor.

His business had been greatly affected from as early as February because of the Covid-19 outbreak.

He claimed to have emailed the mall management twice seeking to reduce his monthly rental of RM22,000.

Jay said he never received a response but when he highlighted his plight on social media, he claimed to have been targeted by the mall's management.

"I provided a livelihood to about 20 workers during my four years at the mall but business took a dip because of Covid-19.

"Instead of reducing the rent, the mall continued to send me rental invoices, including late payment charges."

Jay claimed that the mall management had been selective over who deserved a rental discount.

He has not been able to secure any government assistance and may have to file for bankruptcy. "I was told to pay until my tenancy agreement ends in 2021," said Jay, adding that small and medium enterprises were in need of a bailout to pay their rental.

Emanuel, who operated from a shoplot in Petaling Jaya, had not paid rent for two months.

"I received a legal notice asking me to vacate during the MCO. I had always paid my rental on time over the last five years.

"The MCO has put tenants like me in a difficult position," said Emanuel, adding that he had since moved out and relocated to a place with cheaper rental.

Feeling squeezed from both sides

Tenants of commercial premises seek rental waiver but landlords say they too have costs to bear

Some tenants of shopping centres operated by Sunway Malls have been given a full waiver on rental.

"Many businesses will have to close down or relocate to survive," he said.

Wong, who operates a tuition centre in Segambut, said he had to "threaten" to move out before the landlord would even consider reducing the rent during MCO.

"I have been here for almost 18 years. I pay RM600 monthly for my unit.

"But because of the MCO, the centre was closed. The landlord insisted that I pay the full amount.

"It was only when I said I would have to move out that he eventually reduced it by 50%," he said.

Meanwhile, Ruby, was shocked to receive a letter from the building management that her company would have to pay the full rental for April even though none of the offices in her building were allowed to operate.

"We were also asked to pay 50% of the parking fees. I am paying RM1,800 per month for rent and RM180 for parking," said Ruby, adding that the management should have been more understanding.

Meanwhile, Keneth, a tenant in a

shopping centre in Kuala Lumpur, felt it was unfair for the management ask them to pay the service charge in full during the MCO.

Keneth, who operates a F&B outlet, said while shops that were closed during the first phase of MCO were exempted from paying rent and service charge, this changed during the conditional MCO.

"For April, the rental was waived but we were still charged the full service charge even though most of the mall was closed."

"Since May 4, when the conditional MCO kicked in, we received a 30% reduction but still had to pay the full service charge, which is not fair," he said.

Sympathetic landlords

However, some landlords like Sunway Malls have been proactive in helping out struggling tenants.

Sunway Malls & Theme Parks chief executive officer HC Chan said during phase one of the MCO, Sunway Malls gave a full waiver on rent to non-essential as well as F&B operators.

"Only essential services were

“Instead of reducing the rent, the mall sent me rental invoices, including late payment charges.

Jay

excluded from the rental waiver.

"We have extended the option of flexi-hours to non-essential as well as F&B operators post-MCO.

"They can choose to operate at a minimum eight hours per day compared to 12 so that they can manage their wages and utilities better," he said.

A representative from Wisma MCIS in Petaling Jaya, said although no discount was given on rent, tenants were allowed to defer their payment for April, May and June.

"We are unable to give discounts as we have our own commitments, including bank loans," he said, adding that there were about 40 tenants in the building.

He said even before the MCO, there were some tenants who had not paid their rent for the past two months.

"We still have to pay salaries for 10 building staff, and ensure that we do not neglect payments to contractors and cleaning services," he explained.

Federation of Malaysian Consumer Associations chief executive officer Datuk Dr Paul Selvaraj said many tenants may have to break their tenancy agreement because business had been so bad due to the MCO.

"There needs to be legislation in place to safeguard both the landlord and tenants.

"It is time the government formed an independent body to be the intermediary between tenants and building owners in relation to rental," he added.

BLOOD DONATION

> MC Mall will hold a blood donation drive to support the National Blood Bank at Level 1, Nucleus Hall, BMC Mall, Cheras, Kuala Lumpur from May 26 until 31, 10am to 3pm.

> Persatuan Soka Gakkai Malaysia is holding a blood donation drive on June 7 from 9am to 3pm at SGM Selangor, Culture Centre, Lot 23686, Jalan Selampit 29, Taman Klang Jaya, Selangor. Donors must be between 18 and 60. For details, call Yap at 019-221 9118.

Challenges of motherhood

BY CINDI LOO
newsdesk@thesundaily.com

PETALING JAYA: Having a baby has always been perceived as a happy occasion. Hence, the phrase “bundle of joy” when there is a new addition to the family.

However, it may not always be so for some mothers. More often than not, she ends up being solely responsible for attending to the baby’s needs.

For new mothers, it is a learning process which can be a challenge that is overwhelming. Very quickly, the reality that it is not all cooing and toothless smiles sinks in – mood swings and anxiety caused by lack of sleep kicks in, bringing with them a sense of guilt. But many do not know how to seek help.

Mothers who experience symptoms that are more intense and longer lasting may have a condition known as post-partum depression (PPD), according to consultant psychologist at SOLS Health, Dr Leoniek Kroneman.

SOLS Health is a community-based mental health centre that connects children, adults, families and communities to accessible and affordable mental health services with an emphasis on combating the stigma of mental health.

PPD is a depressive state that

➤ One out of every seven women suffers from post-partum depression and many cases go undetected and untreated: Expert

MATERNAL mental health issues affect one in 10 women during pregnancy and one in eight women after childbirth, according to the World Health Organisation statistics. May 2020 has been declared the Global Maternal Mental Health Month to raise awareness on the prevalence of pre and post-natal mental health issues around the world.

SOLS Health, in collaboration with Institut Wanita Berdaya (IWB) Selangor, is studying post-partum depression among women in Selangor and invites all women in the state and of child-bearing age to complete a survey on their thoughts about maternal mental health at the following links. For more information, visit <https://www.facebook.com/SOLShealth>.

- English version: <https://forms.gle/vJTsKDomWnMngk3p8>
- Tamil version: <https://forms.gle/vcPgQbbetyP8oZh7A>
- BM version: <https://forms.gle/BAAEgeRv3p6oK8KK8>
- Chinese version: <https://forms.gle/rqYSVDxXErJ6Nm5d9>

happens in the first few weeks to six months after childbirth,” Kroneman told *theSun*.

“It is also alarmingly common – one in seven women in Malaysia suffers from it but most go undetected and untreated.”

Researcher Lim Su Lin, who assists Kroneman in a research study on detection and treatment of PPD in Selangor, said with timely

intervention in the form of therapy, there is a good chance of recovery.

“The main aim is to provide the Selangor government with actionable and female-centric recommendations on how to enhance the detection process and to link them with appropriate mental healthcare services,” Lim told *theSun*.

“Our study involves interviews

with women patients and focus group discussions. We hope to enable these women to share their experience and insights and to get them to participate in efforts to improve the healthcare system,” she added.

Kroneman said the factors that cause PPD are biological, social or psychological.

“PPD occurs because of a drop in reproductive hormones. Research shows some women are more susceptible than others. Other causes include lack of support from family and social isolation with the baby,” she said.

Common symptoms of PPD are insomnia, irritability, anxiety and lack of appetite.

Another part of the SOLS Health research seeks to understand the mothers’ knowledge about PPD and to spread awareness about maternal and mental health.

“We want to empower mothers to address their problems and seek help rather than avoid it out of guilt or shame. With professional help, PPD can be treated,” Lim said.

She hopes the results from the study would spur state legislators and healthcare policy-makers to address the issue on multiple levels, and improve awareness of the condition and accessibility to remedial services.

Temple wedding probe: Cops take statements

PETALING JAYA: Police have recorded the statements of 33 people, including the chairman of a Hindu temple in Serdang, over a probe into a wedding that was conducted at its premises on Sunday in violation of the conditional movement control order (CMCO).

Selangor police CID chief SAC Datuk

Fadzil Ahmat said yesterday that among others who were quizzed were witnesses present at the wedding.

He said investigations are ongoing and the findings will be handed to the Attorney-General's Chambers for further action on completion of the probe.

The Hindu wedding ceremony came to

light after a video of people gathering for the event went viral on social media last week leading police to conduct a probe.

Senior Minister of Defence Datuk Seri Ismail Sabri Yaakob was reported to have said that action will be taken against those responsible for holding the wedding as the CMCO prohibited such activities.

累計病例達2萬6355宗 雪州蚊症佔全國58%

報導 ● 劉佩明

(吉隆坡26日讯)截至昨日(25日),全马骨痛热症累计病例达4万5429宗,其中58%或2万6355宗来自雪兰莪!

昨日全国的骨痛热症单日新增是170宗,有82宗来自雪州,27宗来自吉隆坡,是国内单日新增最多的地区。

根据idengue.arasm.gov.my网站采用卫生部全国危机准备及应对中心(CPCC)的资料,上述累计数据是从2019年12月29日开始累计,而从今年1月至5月18日,已经有77个死亡个案。

八打靈縣最嚴重

在累计病症最多的雪州,目前共有421个骨痛热症疫区(Kluster Denggi),以八打灵县情况最严重,有多达213个疫区。

其他县的疫区数据分别是乌鲁冷岳县88个、巴生县51个、鹅唛县38个、雪邦县16个、乌鲁雪兰莪7个、瓜拉冷岳5个和瓜拉雪兰莪3个。

当疫情超过30天,将会被视为骨痛热症热点区(Hotspot),而在今年第21周,雪隆地区就已经有73个热点区。

地方政府派员上门喷蚊雾灭蚊。

其中首3个地点已经处于热点区状态超过100天,最严重的地区是乌鲁冷岳的MPT TERATAI TERBB,自去年12月9日成为热点区,在167天里累计了129宗骨痛热症病例。

尾随在后的是成为热点区129天,就累计36宗病例的MENTARI COURT,以及成为热点区101天的武吉皇冠城6/B路(JALAN BM 6/B),累计51宗病例。

雪州政府自去年推行“寻找及扑灭”运动,以结合各道力量来对抗骨痛热症。

地区	单日新增 (5月25日)	累计 (自2019年12月29日)
雪兰莪	82	2万6355
吉隆坡	27	4079
布城	2	290

隆有221骨痛熱症疫區

吉隆坡骨痛热症疫区(Kluster)多达221个,在吉隆坡11个国席当中,以甲洞国会选区情况最好,只有2个疫区!

idengue.arasm.gov.my以国席统计疫区,只有甲洞国席少于10个疫区。

疫区最多的国席是教拉萨镇有34个,尾随在后是帝帝旺沙30个、班底谷27个、泗岩沫24个、斯迪亚旺沙21个、旺沙玛末20个和上布罗20个。

少过20个疫区的国席则是峇都16个、武吉免登16个和蕉赖11个。

近3個月停工無收入 · 地點：金鑾區第一區巴剎 · 小販冒險營業接罰單

■金鑾花園第一區巴剎過去有約100個攤位。

(蒲种26日讯)金鑾區第一區早市巴剎小販歷經近3個月停工毫無收入，生活無以為繼，有者靠打散工支撐生活，也有者冒著風險到巴剎營業，而遭執邦再也市議會取締罰款。

小販代表李美凤说，小販从3月18日起就一直沒有營業沒有收入，直到5月4日，部分已經無法支撐下去的業者，才回到巴剎營業。

“他們也不完全是開檔營業，而是接到熟客的訂單，把貨包裝好帶到巴剎轉交給顧客，大多在現場逗留2小時左右。”

她說，最近10多天，或許是有人投訴，市議會官員開始頻密出現，很多業者都遭到取締，接到罰單，如今尚未知罰款數額。

官員驅車追捕

她指出，業者知道政府不准露天巴剎營業，因此見到市議會官員時，也立即離開，然而市議會却不肯放過業者，還會驅車追捕開檔的業者開罰單。

她認為市議會，不應該如此追逐離去的小販，萬一發生意外，到底由誰來負責。

她指出，小販也是沒有辦法，2個多月沒有收入，政府的關懷援助金也不符資格申請，只有雪州政府給予的500令吉援助金，根本無法支撐3個月。

她希望政府体谅小販。

林華正：應讓小販在巴剎交貨

林華正希望政府，允許小販以接訂單並到巴剎交貨的方式營運。

他指出，上述方式是把巴剎定為交貨地點，讓顧客事先預訂好所需的貨品，小販

小販手停口停，援助金或許可以考慮再增加500令吉。他也認為市議會，早前取締到巴剎營業小販的手法不當。他說，既然小販已經離開現場，何必再窮追不舍。更因為離開時被迫，而不慎摔倒擦傷。

小販希望政府体谅他們的處境，左為林華正。

沒生意還被罰款

◆余愛嬌(雜貨、藥材)

停工已近3個月，很難支撐下去。有客戶向我訂貨，定在巴剎交貨，結果被市議會官員見到，就發罰單給我。這期間也沒有什麼生意，只有400多令吉的營業額，還未扣除成本，還要被罰款。

冀政府體諒小販

◆楊月娥(猪肉販)

這期間沒有開過檔，一直都休業。許多熟客都有叫我開，但是我不敢。希望政府能夠體諒小販的處境。

餐車得另備准證

◆楊邦喜(68歲，椰漿飯小販)

我是在餐車上營業，我見到政府宣布說餐車可以營業，所以在早前就到巴剎開檔。

豈料被市議會官員取締時，對方指還要另外申請准證，也只能在特地點營業而已。之前開檔時有約7、8檔小販營業，但大家都距離很遠。車貨、房貨、保險等，每個月大約需2000令吉來供還，沒有收入很難支撐。我已經申請車貨房貨延緩了。現在我有包粽子及让客户网上訂購，難少許生活費。

余保凭： 甲洞增江無新確診 速批露天巴刹營業

■余保凭（右）巡视部分小贩暂时迁移与租用有罩棚的建筑物内营业的情况。

（吉隆坡26日讯）由于甲洞及增江目前已没有新冠肺炎（2019冠状病毒疾病）新确诊病例，甲洞社区服务中心主任余保凭建议吉隆坡市政局尽快批准当地露天巴刹恢复营业，或让巴刹小贩分批开摊做生意。

余保凭指出，根据卫生部数据，甲洞目前已没有新确诊病例，希望市政局尽快

允许露天巴刹所有合法小贩复工，或让巴刹小贩轮流开摊，即50%小贩于星期一、三、五开摊，另50%则是星期二、四、六开摊。

他说，增江南北区和甲洞卫星市露天巴刹至今都未获准恢复营业，估计有700多名小贩生计受冲击，面对手停口停的困境。

他说，部分小贩选择随

机应变，在无法开摊的情况下，暂时租用店舖或大型建筑物空间贩卖商品，起码能赚取收入。

“如果这种情况持续下去，小贩担心日后生意受到冲击，未来被这种必须在店舖或建筑物营业的模式取代，无法在这种大环境下生存。”

他今日召开新闻发布会时直言，政府一次过发放500令吉援助金给小贩，根本微不足道，他已向吉隆坡市政局和联邦直辖区部长丹斯里安努亚慕沙反映小贩们面对的困境。

“安努亚慕沙通过WhatsApp讯息回复，指将于周四到访甲洞巡视了解情况。”

他说，如果露天巴刹允许开业，小贩们就一定要遵守标准作业程序，包括聘请工作人员来替民众测量体温、记录资料等。

■卫星市巴刹自管制令落实至今都还未获准营业，但部分小贩已无法忍受“手停口停”的困境，冒险地在档口进行贩卖活动。

小販偷偷擺賣商品

◆卢国威（吉隆坡甲洞卫星市C区睦邻计划主席）

虽然卫星市巴刹暂时关闭，但还有小贩偷偷摆卖商品。

甲洞卫星市巴刹的客源除了甲洞区，还有来自外地如双溪毛糯、八打灵再也等。

我们担心如果露天巴刹重开，人潮无法得到严厉管控，恐怕会有疫情蔓延的情况发生。因此我希望当局在恢复营业之前，必须做好防疫措施。

有外來小販擺賣

◆廖发铨（卫星市巴刹服装小贩）

自管制令实施至今，卫星市巴刹小贩都不可营业，我和部分小贩都守法没开摊，但有的外来小贩在巴刹或附近摆卖物品，情况不受控制。

这段期间，我尝试上网售卖服装，但销量不理想，毕竟现在网络生意的竞争非常强大，此情况持续下去，我也担心经济问题。

線上賣蔬菜生意下跌

◆叶先生
（卫星市巴刹蔬菜小贩）

由于露天巴刹不能营业，我唯有转到线上销售蔬菜，初期生意不错，不过落实有条件管制令之后，生意明显下跌。

这段期间，我们都面对生活困难，小贩们要养家糊口，如果没有开摊，难以赚取收入。

为了维持生计，我在5月中选择租用一栋私人建筑物部分空间摆卖蔬菜，我宁可每日承担50多令吉的日租，起码还可赚点钱，总比过零收入。

海南聯會及總商會 8萬口罩轉贈醫院前線

(吉隆坡26日訊) 大馬海南聯會及大馬海南總商會獲得海外多單位支援，獲得8萬個口罩代為轉贈醫院和防疫前線。

這些熱心海外單位分別是海南省委省政府和僑辦、海南海外聯誼會、海口市委市政府和僑辦、文昌市委市政府、僑辦和僑聯。

大馬海南聯會及大馬海南總商會分別捐贈2萬個口罩給同善醫院、1萬個口罩給馬大醫藥中心及5200個口罩給加影警區總部。

該會總會長拿督林秋雅說，該會也將分贈口罩給沙巴亞庇伊麗莎白女皇醫院、砂拉越古晉中央醫院、巴生市議會、大馬皇家警察，捐贈工作有待安排中。

捐同善醫院2萬口罩

“3月中，海南省僑辦和省僑聯得知我國新冠肺炎爆發，第一時間代表省委省政府問候，捐贈5萬個口罩給馬來西亞海南聯會，我們已將之發放給各屬會、海南鄉團、海南各姓氏宗親會及贊助團體和個人。”

她在物資交接儀式上說，希望人民要與政府配合，感謝醫護人員及前線工作人員，以及許多義工的無私奉獻。

出席物資交接儀式的有同善醫院主席丹斯里邱財加、中醫部管理委員會主任拿督斯里楊星耀、行政主任張慶強、中醫院副院長黃清慧；海南聯會及海商會總會財政翁文學、海南聯會聯絡主任暨海商會副秘書長林明威、海商公共關係委員會主席劉揚云。

■加影警區總部莫哈末桑蘇助理警監（中）接收物資，右2為林秋雅。

■林秋雅（左5起）和邱財加等，出席物資交接儀式。

小販月杪完成隔離 加影巴剎1日重開

(加影26日讯)加影巴剎小販需要隔离至5月31日，巴剎要至6月1日才能恢复营业，并在重开前一天再消毒。

据了解，该巴剎因出现5宗冠病确诊病例，乌冷卫生局于是通知所有小販及员工必须自行隔

离14天，隔离日期从5月18日算起。

加影市议员李仁英指出，早前警方为了禁止民众访巴剎拍照引起交通混乱，扩大了封锁范围，而警方是否会配合巴剎重开日期解封，尚未给予通知。他补充，

加影市议会会在巴剎重开的前一天，再展开一次消毒工作。

加影巴剎是在5月20日关闭，220名小販及员工于5月18日在绍嘉娜英比安加影市议会斯里珍峇卡礼堂进行筛检，首批检测报告有3人确诊，加影州议员许来贤隔天视察巴剎时透露再有2人确诊，使病患者人数增至5名。(TTE)

行管令停业至今 金銓花园早市巴刹 小贩生活苦不堪言

(蒲种 26 日讯) 蒲种金銓花园第一区早市巴刹还不允许营业, 小贩们 2 个月多没有收入, 生计严重影响, 身负贷款的小贩更是苦不堪言。

金銓花园第一区早市巴刹大约有 100 个档口, 自 3 月 18 日开始已经停业至今。随着首相丹斯里慕尤丁宣布把有条件行动管制令延长至 6 月 9 日, 这意味小贩们会在将近 3 个月内没有收入。虽然部分小贩们尝试在行管令放宽后营业, 但随即被市议会取缔和开传票。

小贩李美凤披露, 她是与丈夫一起摆档卖神料, 目前生活费就快耗尽。

“政府 5 月 4 日放宽行管令后, 我尝试通过私家车方式交货给顾客, 市议会就前来驱逐。”

身为小贩的她只能申请雪州政府一次性 500 令吉的特别补助金, 而其余的援助金她又不符合申请资格。

“我有尝试申请关怀援助金, 但系统显示我不符合资格。有些小贩已经走投无路去帮人打散工, 而且现在要一份正职也不太可能, 因为公司企业老板也面对收入问题。”

她是周二在民政党雪州公共投诉与投诉部主任林华正带领下, 对媒体如是申诉。

另外, 背负这房屋、汽车贷款和保险费的小贩杨邦喜 (68 岁) 表示, 不明白政府为何不允许他们开业。

他说, 每月的贷款债务将近 2000 令吉, 长子和他一起经营

林华正与小贩们交流, 以了解他们面对的困境。

档口, 另一名儿子刚有小孩, 养家糊口都不容易。

“我只好向兄弟们借钱, 现在精神几乎快崩溃了。我有糖尿病, 是高风险群, 亲友都呼吁我尽量不要出门。”

另一名售卖药材杂货的小贩余爱娇 (65 岁) 也申诉, 经济已经出问题。

“我之前来巴刹交货, 就中了约 80 令吉的传票, 我已经两个月多没有收入, 我要去哪里找钱还罚款! 我之前摆档一天卖货最多有 400 令吉, 是还没有扣本钱的。”

林华正:小贩冀州政府助申请复业

林华正披露, 金銓花园第一区早市巴刹小贩希望雪州政府能协助他们申请复业, 否则他们的生活会越来越艰辛。

他说, 小贩们也承诺, 允许复业会遵守 SOP, 又或希望批准给予他们 2 小时的时间, 以私家车交货给顾客。

“假设不允许复业, 也应该继续从金钱上辅助他们, 如再补贴多 500 令吉等。” #

谈马哈迪下台

阿兹敏：若要设交棒日期 敦马将成跛脚鸭首相

(吉隆坡26日讯)希望联盟政府跨台前的会议，揭露当时的人民公正党署理主席拿督斯里阿兹敏阿里始终不支持设下敦马哈迪卸下首相的日期，并指不会接受由两个人决定的看法。

近日流传的2月21日希望会议录音显示，阿兹敏指倘若要定下确切的日期【交棒】，或是亚太经济合作会议(APEC)之后，马哈迪将被削弱成一名跛脚鸭首相。

“如果敦马要在 APEC 之后卸任，这是敦可以做的决定，我们可以讨论。”但是，他不同意其接班人或是日期，由两个人来决定的看法。

他强调希望盟的决议是同意马哈迪担任首相，拿督斯里阿兹敏担任副首相之后，会由拿督斯里安华取代首相一职，但没有定下任何时间点。

“但是敦作为领袖，可能是基于其他因素，可能觉得不需要给他等一席，这是敦的看法。但在这里，我觉得有必要保障经济及政治稳定，我们支持敦马继续成为首相，直到完成一届的任期。”

“如果敦认为有需要在 APEC 之后卸任，这会是敦马在这之后去做的决定，我们可以讨论。”

他续称，削弱后的首相，不只是投资者不来我国设厂，政府官员也有异动。“虽然我们今天上班，可能敦的接班人会在明天重组现有的政策。”

阿兹敏也带了《联邦宪法》出席会议，指第43条文阐明，由国家元首判断谁能获得大部分国会下支持的首相人选，并指没有明文规定由希望盟主席理事会决定首相人选。

“如果我们相信法治，如果我们遵从

支持设下敦马哈迪卸下首相的日期。人民公正党署理主席拿督斯里阿兹敏阿里始终不支持设下敦马哈迪卸下首相的日期，并指不会接受由两个人决定的看法。

就交棒一事 数中央领袖激烈争吵

数 各希望中央领袖及部长级人物就交棒一事，在会议内激烈争吵。

阿兹敏与土著团结党青年团团长赛沙迪，在马哈迪阵营，而国家诚信党领袖卡立沙末则坚持要安华于5月9日【希望报政二周年庆】入阁，出任副首相、财政部长或教育部长也好，就是准备接任首相一职，否则就会引起人们的猜测，希望内部出现不和。

行动党陆兆福也认同卡立沙末的建议，认为马哈迪与安华都是希望政府的一部分。

阿兹敏则冷嘲热讽地指，政府领袖执着讨论首相交棒事宜。“我们没有其他东西做？”

会议后即发生喜来登改变，丹斯里慕尤丁之后宣誓成为首相。#

3宗为境外输入 雪新增53宗确诊

(布城 26 日讯) 截至 5 月 25 日中午 12 时，雪兰莪新增 53 宗新确诊病例，3 宗为境外输入，其余为社区感染，活跃病例 244 宗。

新病例来自雪邦、鹅唛、乌鲁冷岳以及乌鲁雪兰莪，其中雪邦县内的拉布新增病例高达 29 宗。

其余出现新增病例的地区士毛月 17 宗，加影、万挠、峇都、双文丹各有 1 宗。

根据雪州卫生局的记录，雪州累计确诊病例有 1829

宗，康复病例则有 1503 宗，死亡人数维持在 22 人。

在雪州 9 县中，乌鲁冷岳维持在红区，累计确诊病例 610 宗，活跃病例为 124 宗。

瓜拉冷岳继续保持绿县的记录，其余 6 县则皆处于黄区，即沙白安南、瓜拉雪兰莪、巴生、八打灵、雪邦、鹅唛及乌鲁冷岳。

另外，在雪州境内的士毛月移民局扣留中心及雪邦扣留中心，各有 66 宗新增病例以及 36 宗新增病例。#

新闻特区
金銮花园第一区

早市不准营业零收入

小贩做面交生意遭追捕

(蒲种 26 日讯) 露天巴刹或夜市迄今不获准营业，金銮花园第一区早市巴刹约 100 档小贩生活捉襟见肘，有者本月起偷偷驾车面对面交货给顾客，但却引起官员注意展开追逐。

林华正 (左) 向小贩了解情况，前左四为李美凤。

据称，有骑摩托车的小贩为避开官员驾车追查，快速离去时不幸在转角处跌倒擦伤腿。

约十多位小贩无法忍受零收入痛苦，也不愿继续与官员追逐或接罚单，今日在民政党雪州公共服务及投诉主任林华正安排下，召开记者会要求政府及雪州政府正视他们的处境。

该巴刹小贩代表李美凤 (神料小贩) 指出，巴刹有 30 年历史，小贩早前配合政府行动管控令，呆在家不外出，本以为本月复工，政府却宣布延

长一个月。

她说，大多数小贩手停口停，也没人获得生活援助金，只有州政府一次性 500 令吉津贴。

“停工近 3 个月，有者需供车供屋养孩子，积蓄用得七七八八，再不让开业，接下来生活无法想像。”

她坦言，小贩与客户都有联系，有者为生存，本月初开始在清晨 6 时 30 分至 8 时 30 分期间到来做面交生意，没有

开档，一切货都是从车里拿出后就交，月中起有更多小贩加入，惟却引起梳邦再也市议会关注。

她透露，小贩发现官员到来即快速离去，但官员没因此停下，反用车追小贩，非常危险，有的小贩在原地被警告或开罚单，已有数人接罚单。

她强调，小贩冒险只为生计，促政府放宽条例让露天小贩可限时营业或错开营业谋生计。

摆卖，据闻没有维持社距，人潮多而遭人举报。”

他说，小贩在管控令期做生意的确有违法令，官员可警告或开罚单，但不该用车追捉小贩，有许多小贩向他投诉情况危险，有骑摩托车小贩在转角处跌倒。

他希望政府有折衷方式让小贩复业，或鼓励包好、电话预订等，不至于完全失收入。

林华正促政府

再额外津贴500元

林华正促请政府或州政府正视无法复业的小贩的处境，或再次为他们提供额外 500 令吉津贴。

他指出，小贩需向大马公

司委员会注册，不获得政府给予 1600 或 1000 令吉生活援助金，以致有者零收入，只好偷偷驾车来卖包好商品。

“的确有越来越多车到来

▶ 杂货药材小贩 ● 余爱娇 (65 岁)

交货接罚单

前两个月勉强靠积蓄过日子，但第 3 个月无法支撑，偷偷做交货生意，把顾客拨电要的货包好，驾车到这里交，没想到遭官员取缔，被开出罚单。

官员称只要求情，罚款约 80 令吉。

当小贩已有 30 年，过去开档一日交易有 400 令吉，还没扣除本钱，生活尚可支撑，如今已无法在家苦等。

▶ 椰浆饭餐车小贩 ● 杨邦喜 (68 岁)

3 个月没营业

摆卖已有 30 年，连续近 3 个月没营业，生活开始吃紧，加上每月需要供车供屋及保险约 2000 令吉，已申请延后供车及屋。

育有两位已成家的孩子，大儿跟我一起卖椰浆饭，生计同受影响。我们尝试做外送，包粽子卖，但生意有限，也得找人帮忙外送。

听说餐车开业要申请，曾被官员查问，也被用车追着取缔，太危险了。我曾患忧郁症，也有糖尿病，感到压力大。

雪3县病例上升 瓜雪复黄 雪邦乌冷染红

报道：林秀芳

(巴生 26 日讯) 短短一周内，雪兰莪州 3 个县署的 2019 冠状病毒病再有上升现象，原本已成绿区的瓜拉雪兰莪县再度变黄；而雪邦县和乌鲁冷岳县则因移民局扣留营确诊病例节节飙升，成了红区。

根据雪州冠病专员小组 (STFC) 发放，截至昨日 (25 日) 的数据显示，早前于本月

16 日“脱黄”的瓜雪县，仅成为绿区 2 天，便在 18 日复黄。

根据卫生部公布的数据，该县有 3 个地方出现 7 宗确诊病例，即依约 1 宗、而榄 2 宗、瓜拉雪兰莪 2 宗及巴桑岸 2 宗。

该县较后在于 19 日和 23 日，各别因瓜拉雪兰莪和依约分别再增加 1 宗病例，使该县总确例为 9 宗，至今仍未有痊愈者。

扣留营病例飙升

雪邦县和乌鲁冷岳县则因移民扣留营出现确诊，两县病例在 22 日开始节节飙升。

雪邦县早前共累计 71 宗病例，从 5 月 5 日开始就一直维持 1 宗活跃病例，即 1 人尚在医院接受治疗，不过随着移民局扣留营出现确例后，该县病例从 21 日开始便不断攀

升，截至 25 日已逼近 40 宗病例的红区大关口。

乌鲁冷岳县则一直是雪州最严重红区，截至昨日总累计案例为 610 宗，惟 4 月杪至 5 月初确例稍微放缓，在 5 月 9 日起，活跃病例更下滑至 30 宗之间，得以摆脱热点红区。

只是，好景维持近 2 周

后，却因移民局扣留营出现确例，让这两县于 22 日重返热点红区，病例从 21 日的 35 宗，直线上升至 45 宗，随后 24 日和 25 日再传出多宗新例，以致目前仍活跃病例破百，达到 124 例。

尽管如此，雪州其他县署的活跃病例持续维持平稳发展，除了瓜拉冷岳成功转绿之外，其他八打灵再也、巴生、

鹅麦、沙白安南、乌鲁雪兰莪的活跃病例皆介于 26 至 3 宗之间。

雪累计病例 1829 宗

目前，雪州累计病例为 1829 宗，1503 人康復出院，22 人死亡，活跃病例 244 宗。市民受促继续遵守有条件行动管控令，减少外出、勤洗手、外出戴口罩及保持社交距离等。

雪隆多个热门商区 出顶招租现象攀升

王蓉 | 温丽娟
联合报导

吉隆坡26日讯 | 疫情冲击商圈，隆雪热门商业区近来涌现商铺招租及生意出顶现象：不少商店因客流量大减，在高租金和低收入人双重夹攻下，被迫画下休止符，或整合资源缩小规模！

雪隆多个地区在行动管制令前，就出现许多空置的商铺挂起布条招租。在行管令落实后，情况更是变本加厉，再加上部份业者已萌生结业念头，之后或有更多的店铺会有出顶的现象。

据《东方日报》记者走访及观察，隆雪多个热门商区如甲洞洞图园、富城园、蒲种肯纳里、公主城及蕉赖鸿贸商城等，至今有数十间商铺挂起布条招租或出让生意，其中以餐饮店占大多数，也包括修车厂及按摩院等。

尽管如今政府允许大部分经济领域复工，车流及人潮逐渐回

疫情冲击商圈，隆雪不少商铺如今挂起布条招租或出顶：据悉，一些商店事因客流量大减，在沉重租金及低收入的双重夹击下，被迫结业或缩小规模。

—徐慧美—

流，但依然有不少业者难以支撑，选择关闭、出顶或缩小规模。

数名产业代理指，自从落实行管令以来，市面陆续有多间商铺招租或生意出顶，并预计这只是开始，接下来数月将进入高峰。

「无论如何，有人退出市场，固然也有人进入；如今退租多以餐饮店为多，而准备进入市场则以必需品及日常用品为主，如鲜品、面包及杂货店等。」

产业代理全德铭指，如今确实有许多商铺招租，蒲种多个商区本月挂布条招租的商铺高达20间，而且以往地点好的商铺，根本无需

对外招租，已有下一名顾客正在等候租下。商业区涌现招租及生意出顶现象，已是预料之内，而目前还不算最坏情况，预计陆续有来；现阶段生意不易做，不少商店都面对客流量大减情况。

酒楼无法办宴席

产业代理曾国明说，在行管令前，一些业者已饱受客源及经济压力，导致无法准时缴租金；随著疫情发酵，生存得很吃力的商店唯有结业。另外也有些商家趁机进行业务调整，缩小规模。

甲洞社区服务中心余保凭也说，甲洞如今有很多小型工业及商店受疫情及行管令的影响，面对倒闭的冲击；根据他实地巡视，甲洞至今至少有40间店铺挂起布条招租及出顶。

另外，加影市议员刘佳达也指，蕉赖一带商业区的确出现店铺出让和结业的情况，其中以咖啡馆最为显著，其次则是奶茶店和酒楼。基于疫情至今仍不明朗，酒楼未来半年恐无法举办宴席。在主要收入来源大受影响之下，所以一些营运多年的大酒家，最终也撑不下去，选择停业。

(瓜冷26日讯)万津区刘永山州议员服务中心经安排于6月9至12日一连4天,每天由上午10时至下午4时分发其选区的乐龄人士购物券。

凡是于2月份至6月份出生及受惠的雪州乐龄慈善基金(SMUE)会员可以到仁嘉隆或万津的服务中心领取。

刘永山表示,雪州政府已经决定重新开放上述乐龄慈善基金活动。此项派发乐龄人士购物券活动是在今年3月因行管令而暂停。

雪州政府经过一段时间的考虑之后,决定在新的运作环境和新常态之下重新恢复这项活动。而且,由于有条件行管令延长,乐龄人士购物券的分发方式也有所改变。

补回2至5月出生成员

此外,由于考虑到复办之后的活动必须补回2月至5月份出生的成员,购物者的人数肯定暴增,必须加强防范,因此决定作出如此的安排。

他说,本来在3月份,拟邀请3

劉永山州議員服務中心 6月9日起派樂齡購物券

月份出生和已经登记的长者和残疾人士参与,同时也邀请那些已经受邀出席2月份的成员,但是因事无法出席者参加3月份的活动,然而,却由于政府实行行管令而无法进行。不仅如此,由于行管令多次延长,导致4月份和5月份的购物活动也遭受影响。

刘永山吁请2至6月份生日的SMUE会员于6月9至12日,上午10时至下午4时办公时间到其服务中心(仁嘉隆或万津)领取100令吉的购物券。

他解释说,SMUE(雪州乐龄慈善基金)是雪州政府其中一项惠民计划。

60岁以上或障友可申请

此项活动是开放给60岁以上的乐龄人士或OKU弱势或残障人士(不限年龄)申请,可以在生日的月份获得100令吉的购物礼券。

任何疑问,可联络刘永山州议员服务中心,电话:03-3191 4724或03-3181 1083。

艾珠拉（左起）及蔡伟杰造访双溪巴高的风灾灾民。

贺节横幅向人民祝贺开斋节。蔡伟杰今年别出心裁，以大型挂板搭配小型

蔡伟杰特製大掛板賀節 提醒過節不忘防疫

（万挠26日讯）冠病当前，防疫为重；万挠州议员蔡伟杰特制大型挂板，以别开生面的方式向万挠居民庆祝开斋节，呼吁大家适应新常态。

他说，在联邦政府于早前宣布放宽行动管制令时，便已担忧一度减缓的确诊人数会再攀升，于是决定一反过往仅是张挂贺节横幅的常态，改为制作两个大型挂板再配搭小横幅，立在万挂敦帝佳和团结花园路口，盼能起到提醒民众过节亦不忘防疫，维持安全社交距离的作用。

“在过去，我们是按照节日张挂

贺节横幅，如今我们把防疫提醒放大一些，让大家一目了然，掌握新常态的必要性。而根据卫生部所公布的数据，昨日单日已有172宗的确诊，反映我们的担忧并非杞人忧天。”

蔡伟杰是在其巫裔助理艾珠拉的陪同下，将援助金和米粮派送给万挠菁乡岭Las Palmas组屋和双溪巴高村的10名风灾灾民，这么告诉《大都会》社区报记者。

拨款援助天灾灾户

他说，Las Palmas组屋有9户的屋顶在本月22日傍晚遭狂风吹毁而漏水，而双溪巴高的唯一灾户则是屋顶大开天窗，使得大雨如瀑布般泻进屋内。

“时逢开斋佳节，灾民们本因为行管令而收入大受打击，如今再因遭遇天灾而无心过节，情境堪怜。”

他补充，为了让灾民们应急，已先从选区拨款中发出1500令吉，让每户可获150令吉的现金维持基本生活和维修房屋。

“我们也发出10份米粮，避免让灾民挨饿。接下来，我们会在开斋节的假期结束后，协助他们向雪州政府申请天灾援助金。”

「不忠黨員請退黨」 蔡偉傑：無心改革乖離目標

“如对党不忠，亦无心改革，请退党！”

蔡伟杰呼吁对公正党不忠的叛徒自行了断，无须迫使党领袖不留情面地出手彻查和清理门户。

“我们从政的目的便是改革，将国家在过去偏向贪腐的治理拉回正轨，所以无心改革者既然已经乖离目标，不如即刻退党，不要拖泥带水的浪费时间和霸占州政府官职。”

蔡伟杰同时也是公青团全国秘书兼士拉央公正党区部青年团团长，他透露士拉央区部将严厉对付数名涉及喜来登改变的党员。

“党纪律局已开档调查和冻结他们的党籍，不排除接下来会有更大的行动，包括撤除他们在雪州政府中的官职。有鉴于此，叛徒应自行了断，免得自取其辱。”

路边资源回收箱满溢，周遭垃圾遍地。

公民意識低 垃圾瀉滿地 行管期回收箱變垃圾場

(加影26日讯) 悠长的行动管制期改变了很多人的生活习惯，但是公民意识却未提高，乱丢垃圾问题在行管令期间变得更糟，路边资源回收箱满溢，周遭垃圾遍地，环境卫生变差。

《大都会》社区报记者巡访加影区包括双溪龙镇第6区、蕉赖皇冠城勒马纳路及天猛公7/9路、蕉赖十一哩春山园及蕉赖9英里美佳花园等路旁的回收

箱情况，只见不少垃圾被存在一旁，而最夸张的是双溪龙镇第6区和蕉赖皇冠城回收箱遭民众滥用当垃圾槽使用。

频下雨垃圾飘臭

据了解，在行管令实施以来，垃圾承包商已多次额外清理回收箱外的垃圾，每次清理干净后，垃圾很快又出现，缺乏公德心的民众不管是不是回收物品，皆丢到回收箱旁，加上近期频频下雨，导致垃圾散发恶臭。

据观察，很多回收箱

旁垃圾，不少是居家废弃物，大件垃圾如衣橱、家具等都有，这些都是民众大扫除时不要的东西，把回收箱当垃圾站。

刘佳达：

乱丢垃圾不负责任

加影市议员刘佳达指出，行管令期间，许多人没有时间清理屋子，可是没有妥善处理垃圾，直接把垃圾丢去回收箱旁，这是不负责任的行为，市民应该把不要的垃圾放在门外或垃圾槽。

他说，这是涉及个人的

行为，有些人不想把垃圾放在家门外，就丢在回收箱旁边，让回收资源的工作人员清理，他认为若要制止有关问题，回收箱不能再放在路边。

他不否认回收箱长期在路边收集回收资源，垃圾问题不会断根，而且外旁也会在回收箱“寻宝”。

林伟明：

有关单位须收回

另一方面，皇冠城居协主席林伟明表示，要解决回收箱变垃圾槽的问题，有关单位必须将回收箱收回，只有这样的方法可行，否则这类问题永远无法解决。

他说，回收箱变垃圾槽问题在行管令期间更严重，除了影响市容，环境卫生问题也变得严重。

余保凭(右)巡视部分小贩暂时迁移与租用有草棚的建筑物内营业情况。

卫星市巴刹自行管制令落实至今都还未获准营业,但部分小贩已无法忍受“手停口停”的困境,冒险地在档口进行贩卖活动。

余保凭：区内无新确诊

应让甲洞增江巴刹重开

(吉隆坡26日讯)甲洞社区服务中心主任余保凭表示,随着目前甲洞及增江已没有新的确诊病例后,他建议吉隆坡市政局尽快批准当地的3个露天巴刹恢复营业,或让巴刹小贩分批开档做生意。

余保凭指出,增江北区、增江南区和甲洞卫星市的露天巴刹至今都未获准恢复营业,估计有七百多名小贩的生计严重受冲击,面对手停口停的困境。

建議讓小販輪流開檔

余保凭补充,根据卫生部的数据,甲洞目前已经没有新的确诊病例,所以希望市政局尽快允许露天巴刹所有合法小贩复工,或者可让巴刹的小贩轮流开档,即50%小贩于星期一、三及五开档,另50%则是星期二、四及六开档。
“如果巴刹得以重开,小贩们就一定要遵守标准作业程序,包括聘请工作人员来替民众测量体温、记录资料等等。”
他今日召开新闻发布会时说,与其“守株待兔”,部分小贩选择随机应变,在无法开档的情况下,这段期间就暂时租用店铺或大型建筑物空间贩卖商品,起码能赚取收入,总比不开档、

零收入来得好。
他表示,如果这种情况持续下去,小贩担心日后的生意会受到冲击,担心未来被这种必须在店铺或建筑物营业的模式取代,无法在大环境下生存。
指500令吉援助金微不足道
“政府一次过发放给小贩们的500令吉援助金微不足道。”

余保凭说,他向吉隆坡市政局和联邦直辖区部长丹斯里安努亚慕沙反映小贩们面对的困境后,安努亚慕沙也通过WhatsApp讯息回复表示将于这个星期四到甲洞巡视了解情况。

重開須做好防疫

盧國成(吉隆坡甲洞衛星市C區睦鄰計劃主席)

“甲洞卫星市巴刹的客源除了来自甲洞区以外,还有来自外地,例如双溪毛糯、八打灵再也等地。”

“我们担心的是,如果露天巴刹重开后,人潮无法得到严格管控,恐怕会有疫情蔓延的情况发生。因此我希望当局在恢复营业之前,必须做好防疫措施。”

“据知,虽然卫星市巴刹暂时关闭,但还有小贩‘偷偷’摆卖商品做生意。”

外來小販擺賣

廖發登(衛星市巴刹服裝小販)

“自行管令落实至今,卫星市巴刹小贩都不可营业,我和部分小贩都遵守行管令,不能开档,但有外来小贩却在巴刹或附近摆卖物品,情况不受控制。”

“这段期间,我尝试上网售卖服装,但销售量并不理想,毕竟现在网络生意的竞争非常强大,再这样下去的话,我也担心经济问题。”

盼回巴刹開檔

葉先生(衛星市巴刹蔬菜小販)

“行管令期间,由于露天巴刹不能营业,我唯有转到线上销售蔬菜,初期生意不错;不过落实有条件行管令后,生意则明显下跌。”

“这段期间我们都面对生活困难,小贩们都是要养家糊口,如果没有开档,难以赚取收入。”

“为了维持生计,我在5月中租用一栋私人建筑物的部分空间摆卖蔬菜。我可每日承担五十多令吉的日租,如此起码还可以赚点钱,总比过零收入。”

“我希望尽快回到巴刹营业,到时候再看市政局会如何安排标准作业程序。”

接獲訂單到巴剎交貨 小販遭官員追趕受傷

焦點社區
金鑾花園第一區早市

3個月未開檔

(蒲种26日讯) 蒲种金鑾花園第一區早市巴剎小販申訴，他們自行動管制令落實後，長達3個月不被允許開檔復業，苦無入息；當他們接獲訂單前往巴剎交貨給顧客時，遭梳邦再也市議會官員追趕及接獲罰單！

他們今日在民政黨雪州公共投訴局主任林華正陪同下，召開新聞發布會時，異口同聲希望州政府能體諒他們及放寬條例，讓他們恢復營業兩小時，讓他們可以透過接單方式經營，賺取一些收入。同時，他們也希望政府能再發放一次性援助金給他們，減輕他們的負擔。

該巴剎小販代表表示，該巴剎為露天巴剎，平日有約100個檔口營業，自行管令實施後就被逼休業。

他們說，政府較後宣布於5月4日實施有條件管令及放寬條例後，該巴剎仍無法復業。

“我們已沒開檔做生意長達3個月，儲蓄已無法支撐生活開銷，估計無法撐到有條件管令最後一天。”

他們說，部分小販必須承擔沉重的生活費，即使已申請延後供車及供屋，但仍必須如期繳付保險供期。

“儘管曾嘗試兼職、送外賣或轉行，但微薄的收入只能替補多少，不足以應付龐大的用費，必須向兄弟們借錢渡過難關。”

他們說，他們明白露天早市巴剎不能營業，但餐車允許營業。不過當賣椰漿飯的餐車業者前往該巴剎開檔時，卻被梳邦再也市議會官員開罰單及追趕。

“官員幾乎每日清晨6時至7時會前來開罰單，我們看見官員前來時就停止營業或離開，惟官員仍駕車追趕，導致其中一個騎摩托車的小販因此受傷。”

林華正(左一)聆聽蒲種金鑾花園第一區早市巴剎小販們面對的問題，並希望政府放寬條例，允許他們復業。

林華正：小販求助申請復業

林華正表示，該巴剎小販面對無法復業的窘境，並希望透過他向州政府提出復業的申請。

他說，目前已有許多行業已經復業，加上巴剎小販手停口停，無法營業長達3個月，讓他們難以支撐下去。

“我希望州政府允許他們以交貨方式，利用私家車載貨給顧客的方式復業開檔做生意，他們會遵守標準作業程序，即下單後交貨給顧客。”

積蓄已幾乎用完

“我在金鑾花園第一區擺檔賣神料用品已有10多年，我們自行管令後就沒有營業長達3個月，目前只取得州政府給予的500令吉小販援助金，並未獲得國家關懷援助金。

由於不能復業，無法做生意，我們的儲蓄已差不多用完，估計無法頂到有條件管令結束。

我們曾想過要轉行或外出找工度過疫情期間，但日

李美鳳(小販代表)

前的經濟環境，要找工也不是一件容易的事情。

部分小販在政府實施有條件管令後，就開始外出做生意，5月中就有許多小販做生意。市議會也在過去10天內，天天到場執法，他們在不聽小販的解釋下，直接開出罰單。

我希望政府能體諒小販沒入息，放寬條例讓我們每日開檔2至3小時，讓我們做生意維持生活。”

接罰單雪上加霜

“我在巴剎經營雜貨及藥材檔口，在管令的首兩個月，我還能支撐，但如今進入第三個月，儲蓄都已用完，已無法繼續支撐了。

我平日開檔時，平均每天可賣出400令吉物品，惟仍

余愛嬌(65歲，小販)

未扣除成本。

我早前外出交貨給顧客，豈料接獲市議會執法人員開出的罰單。我在沒有入息情況下還接獲罰單，簡直是雪上加霜。”

向兄弟借錢度日

“我在巴剎經營椰漿飯餐車生意，已有兩個多月沒有開檔做生意，被逼將供屋及供車期延後，但仍需要按時供保險。

由於沒有收入，且每個月需要2000令吉供物品，我只好向兄弟借錢度日。我擔心情況再嚴重下去，我的枕

楊邦喜(68歲，小販)

郁症會復發。

目前我只好上網賣物品及粽子，以賺取一些金錢補貼家用。

日前我以餐車形式開檔，但遭梳邦再也市議會官員如追賊般追趕我們，並要我申請另一個准證。”

他說，州政府或梳邦再也市議會可以考慮讓小販在清晨6時30分至早上8時30分之間開檔。

據了解，市議會初期並沒有採取行動對付巴剎小販，惟當前來擺檔的小販人數越來越多及有人投訴後，市議會執法人員就前來採取行動。

“我認為，官員可以給予警告或開罰單，但我並不認同執法人員追趕小販而導致小販受傷。”

(八打灵再也26日讯) 榴槤季节即将来临, 你准备好吃榴槤了吗?

自从雪州落实有条件行动管制令后, 灵市SS2商业区的榴槤档陆续恢复营业, 准备迎接榴槤季节的到来, 并让雪隆区的老饕们在疫情期间仍有机会品尝到美味的榴槤。

虽然冠病疫情肆虐, 但无阻民众亲自到榴槤档去选购榴槤, 品尝果王的心情。

2

靈SS2榴槤檔陸續復業

榴槤老饕準備好了嗎?

1. 灵市SS2商业区的榴槤档陆续复业, 员工忙着整理所有榴槤。
2. SS2商业区的部分榴槤档只有少数榴槤。

僅留出入口管控制顧客量

《大都会》社区记者走访SS2商业区时, 发现SS2商业区大部分榴槤档都已恢复营业, 还有少数档口仍在收拾及准备。

由于大部分榴槤档都是开放区域, 为了更好地管控顾客进入档口后, 完成填写资料及测量体温等程序, SS2商业区的榴槤档都在档口四周拉起红白线, 仅留下出入口, 让顾客只可从出入口进入档口范围内。

至于灵市19区哈拉班路的“De'Tropika”水果档, 则完全没有营业。记者也发现有些档口被贴上灵市政厅在2月18日发出的通告, 内容为基于档主长期没有营业, 因此灵市政厅执照组要求档主立即清空私人物品。

灵市19区哈拉班路“De'Tropika”水果档至今没入营业。

榴槤行情不樂觀

受访档主表示, 由于6月初或6月中旬开始才是榴槤季节, 因此目前的榴槤量并不多, 主要都是来自檳城及柔佛的榴槤, 价钱偏高, 待榴槤季节到了后, 榴槤的产量慢慢增加, 相信到时候榴槤的价格会越来越便宜。

他们说, 受到疫情影响, 加上榴槤并非必需品, 因此今年的榴槤行情并不乐观, 也相信老饕会减少购买榴槤。

尽管如此, 他们依然会开档, 只提供打包服务, 且大部分都将营业时间拉长至晚上, 希望能尽量做一些生意。

產量不多價格偏高

莫小姐(35歲, 榴槤檔主)

“榴槤季节即将来临, 虽然彭亨的榴槤慢慢果熟落地, 但因产量还不太多, 目前的榴槤价格仍不稳定及偏高。

据我所知, 彭亨州的榴槤果树才开始果熟落地, 因此在6月中及6月底就会出现大量榴槤, 6月及7月也是最多榴槤产量的时候, 民众也可在此期间购买榴槤。

至于榴槤的价格, 由于榴槤并非必需品, 相信价格会受到疫情影响, 且我也担心行情会受到影响。”

2週後料跌價

林先生(32歲, 榴槤檔主)

“榴槤已开始果熟落地, 我们也陆续进货, 但因为产量还不太多, 因此目前的价格仍偏高, 需视每日来货的价格而定, 目前每日的价格都不一样。

如今各种榴槤品种都开始出现, 相信两个星期后的产量会更多, 价格也会稍有下跌。

我们只提供打包服务, 并未让顾客堂食, 因此顾客量减少许多; 我们也选择将营业时间拉长至晚上, 尽量做一些生意。”

年輕人

第34屆雪隆區學生記者隊

【八打灵再也訊】星洲日報《學海》第34屆雪隆區學生記者於5月23日、5月24日、5月30日和5月31日，于线上举行线上营会。营会使用脸书、脸书即时通讯 (fb messenger) 和视讯进行。学记在线上玩得亦乐乎，也促进了学记之间的感情。

近年来，雪隆学记一年都会举办三次户外营会。由于今年受到疫情影响，导致上半年的营会被迫取消。谁也想不到，在这网络发达的时代，竟然还能通过网络去举办一场线上营会！

本次营会由第33届的雪隆学记当营员。营会目的是为了培训第34届的学记在策划营会的技能，也促进两届学记之间的感情。对学记而言，即使是因为疫情不能见面，他们的感情也不会受到任何影响。随着每年时间的流逝，今年终于轮到了第34届学记开始学习新知识。与以往不同的是，这一次学记用了网络办营的方式让他们更了解彼此，也考验他们的默契、合作精神和思考能力。

学记在脸书上开了一个群组，定时的上传资料、线索、影片、链接等，让营员进入玩游戏和找组员。营会一开始，给营员一点难度，营员需通过破解谷歌会议群组的编码，以找到自己所属的小组。待各组营员找到自己的小组后，游戏将会接着进行。他们需要比手划脚的方式让组员猜歌。组员需唱出歌中的一句歌词才算成功。活动进行时，部分营员卖力比手划脚，表情十分丰富。在苦脑当中，营员也从中获得不少乐趣。

多元的语言文化是马来西亚的特点之一。这可是一个让营员学习方言的好机会！不仅如此，还能促进组员之间相互合作的能力。营员需以方言将节目组给予的句子传达给对方。在营员面对不熟悉的方言时，会出现鸡同鸭讲，交流不顺的情况。在游戏进行时也出现了许多搞笑画面，让人哭笑不得。

游戏有难度需要思考，营员找不到头绪。

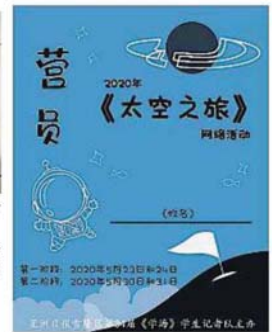

“太空之旅”网上营会的海报。

“太空之旅”网上营会的手工艺作品介绍。

即使是网络营会，学记还是很认真的为了营员名卡。

雪隆學記

考驗默契合作 疫情新體驗

首辦線上營會

学记开视讯玩游戏，在游戏进行前隔着屏幕拍照。

学记在网络营会也玩小游戏 (station game)，因为站长在讲解游戏玩法。

偵探遊戲 運用採訪技巧找線索

在线上营会中，当然少不了需要动脑的查案环节。节目策划了侦探游戏，营员需随着案件一步步探索，并通过采访嫌疑人从他们身上获取线索，再从千丝万缕的线索中找出真相。营员的采访技巧与访问方向将会决

定是否找到线索的关键，同时考验着他们的推理能力。在最后的推理还原案情环节中将会定下各组的胜负，各自都努力的分析线索，绞尽脑汁推理出杀人凶手及还原凶手的作案动机和过程。在第二轮的游戏当中，难度也随

之增高。营员将不会被提供任何口供，他们需仅靠着采访嫌疑人来获得线索。其中，工委根据故事背景扮演不同的角色，令人印象最深刻的是一名“沈金井”的角色，顾名思义，就是扮演着精神病的角色啊。工委出神入化的演技，

让营员仿佛在探查真实案件，不得不绞尽脑汁去破案，令人振奋。

游戏进行时，营员和受访的嫌疑人之间的互动也都充满笑点，气氛非常融洽欢乐。

工委在玩偵探游戏的环节，学记模仿报新闻的模式，给营员讲解游戏。
