27,491 jobs from domestic and foreign investment

SELANGOR recorded RM22.45bil in investments with the approval of 411 factory projects from January 2020 to March this year. Of the figure, RM12.02bil was from foreign investors.

The investments have also created 27,491 new job opportunities, said state investment, industry and trade, small and medium industries committee chairman Datuk Teng Chang Kim.

"Despite the movement control order, it has not deterred Invest Selangor from carrying out its promotional activities through the virtual realm via webinars and SOP compliant physical meetings," he said.

Among the efforts taken to ensure continuous growth of the investment sector were strategic action plans like the state's aerospace and biotechnology sector and other

proactive measures to encourage new investors, he added.

"From January to July 2021, 21 programmes were carried out to engage with investors," said Teng when responding to Datuk Rosni Sohar (BN-Hulu Bernam) who asked about the value of investments coming into the state since January 2020 and the state's efforts to ensure investor confidence.

Based on Malaysian Investment Development Authority statistics, the rubber product industry topped the list in the domestic investment category with a RM3.324bil investment, he said.

Teng added that the paper, printing and publishing industry at RM5.504bil, had the highest total in the foreign investment category.

Creating the most job opportunities was

the rubber products industry with 6,658 employment openings, he said, while coming in second was the electronic and electrical products (4,159) while the paper, printing and publishing industry (3,525) came in third.

Meanwhile, state local government, public transport and new village development committee chairman Ng Sze Han told the House that the private jetty in Teluk Panglima Garang, Klang, that caught fire was given permission to carry out activities for the entry of goods.

It got the go-ahead from the Port Klang Authority (LPK) and Customs Department, he said.

"Around the jetty, there are 14 lots totaling 15.4ha used as warehouses to store goods that were brought in," he said, when

replying to Datuk Dr Ahmad Yunus Hairi (PAS-Sijangang) who asked why the authorities had allowed the unlicensed premises to continue operating for the past two decades.

Ng added that the owners were given the opportunity to take part in the state's legalisation programme and to date, the Kuala Langat District and Land Office has approved the change of land status from agriculture to commercial for seven lots.

To a separate question from Leong Tuck Chee (PH-Pandamaran) on the closure of essential factories that obtained approval from the International Trade and Industry Ministry to operate during the movement control order, Ng said as long as the factory was adhering to the licence conditions, they would not be shut.

KUALA LUMPUR: The new Cabinet ministers and deputy ministers were sworn in and took their oaths of office, loyalty and secrecy before Yang di-Pertuan Agong Al-Sultan Abdullah Ri'ayatuddin Al-Mustafa Billah Shah at Istana Negara here.

The guests began arriving an hour earlier at about 1pm yesterday so that they could undergo Covid-19 swab tests before the start of the proceedings.

The ceremony at Balairong Seri, which began at 2.30pm, was also attended by Raja Permaisuri Agong Tunku Hajah Azizah Aminah Maimunah Iskandariah.

Prime Minister Datuk Seri Ismail Sabri Yaakob could not attend the ceremony as he is in self-quarantine for having been a close contact of a Covid-19 patient.

Former prime minister Tan Sri Muhyiddin Yassin also attended the ceremony.

During the ceremony which lasted about an hour and 30 minutes, the ministers and deputy ministers took their oaths in several groups before the King, who presented them with their instruments of appointment.

They then proceeded to sign their instruments of appointment which were certified by Chief Justice Tan Sri Tengku Maimun Tuan Mat and Chief Secretary to the Government Tan Sri Mohammad Zuki Ali.

MCA president Datuk Seri Dr Wee Ka Siong was among the first group of seven ministers who took their oaths before the King.

The group, which was led by Datuk Seri Azmin Ali, included Datuk Seri Hishammuddin Hussein, Tengku Datuk Seri Zafrul Tengku Abdul Aziz, Datuk Seri Fadillah Yusof, Datuk Dr Mohd Radzi Jidin and Datuk Seri M. Saravanan.

The second batch of ministers then took their oaths.

Headed by Datuk Seri Tuan Ibrahim Tuan Man, they comprised Datuk Seri Dr Maximus Ongkili, Datuk Seri Ronald Khandee, Datuk Seri Hamzah Zainudin, Datuk Seri Alexander Nanta Linggi, Datuk Seri Takiyuddin Hassan and Datuk Seri Noraini Ahmad.

Communications and Multimedia Minister Tan Sri Annuar Musa headed the third batch comprising Datuk Seri Rina Harun, Datuk Seri Reezal Merican Naina Merican, Khairy Jamaluddin, Datuk Halimah Mohd Sadique, Datuk Seri Dr Adham Baba and Datuk Seri Mustapa Mohamed.

Foreign Minister Datuk Saifuddin

Abdullah headed the fourth batch which comprised Datuk Zuraida Kamaruddin, Datuk Abdul Latiff Ahmad, Datuk Seri Wan Junaidi Tuanku Jaafar and Datuk Seri Nancy Shukri.

Rural Development Minister Datuk Seri Mahdzir Khalid headed the final batch of ministers comprising Datuk Seri Shahidan Kassim,

Datuk Seri Ahmad Faizal Azumu and Idris Ahmad.

The deputy ministers then took their turn in groups to take their oaths of office, loyalty and secrecy before the King.

It is understood that Tan Sri Noh Omar could not attend the ceremony as he was under self-quarantine, while Second Deputy Education Minister Datuk Mohamad Alamin could not attend after he tested positive for Covid-19.

The Cabinet line-up was announced by Ismail Sabri on Aug 27, seven days after he took the oath of office as the ninth Prime Minister before His Majesty on Aug 21.

He replaced Muhyiddin, who resigned on Aug 16.

The ministers and deputy ministers, some of them accompanied by their spouses, were fully masked, while the event was held in strict accordance with the Covid-19 SOP.

Selayang morning and night markets slowly resume operations

By **JADE CHAN**
 jade@thestar.com.my

ALL nine morning markets under the Selayang Municipal Council (MPS) have resumed operations after the government relaxed the rules on individuals who are fully vaccinated.

However, only four out of the 49 night markets have resumed business to date.

"MPS has informed all administrators of morning and night markets to ensure all standard operating procedures are met before they are allowed to resume operations."

"Based on the National Security Council's (NSC) guidelines, only customers who are fully vaccinated are allowed to enter morning and night markets," said MPS president Mohd Yazid Sairi during the full board meeting.

NSC's guidelines state that children aged 17 and below are discouraged from visiting public places.

However, the guidelines did not state that morning and night market traders have to be fully vaccinated.

Among the parks that have been reopened in Selayang is Tasik Biru Kundang. — Filepic

According to MPS' Licensing Department, all 49 night markets under MPS are managed by residents' committee (JKP).

The nine morning markets are either supervised by JKP (six locations), traders association (two) or MPS (one).

Morning markets under MPS are allowed to operate from 7am to 11am, while night

markets can operate from 4pm to 10pm.

"MPS has also reopened all public parks, lake parks and swimming pools under the council's purview, but visitors are reminded to always adhere to the SOP when using such facilities," said Mohd Yazid.

MPS manages nine parks including Taman Tasik Sri Gombak, Taman Rimba Bukit

Lagong, Taman Rimba Templer, Tasik Biru Kundang and Taman Tasik Bandar Country Homes. They are open from 7am to 7pm daily.

Only individual recreational activities such as exercise, jogging, cycling and skateboarding are allowed in the parks.

During the meeting that was held online, councillor Sulaiman Abu Samah said traders at Pasar Rawang had asked if the time set aside for market sanitisation could be adjusted to a few hours in the afternoon, instead of shutting the market for a day, as it affected their business.

To this, Solid Waste Management and Health Department director Norhayati Ahmad said public markets under MPS are closed on Mondays for weekly sanitisation.

"This is necessary as the premises will be thoroughly disinfected, including stall cubicles, in addition to the routine cleaning of floors and drains," she said.

Mohd Yazid added that the one-day closure for full disinfection works was similar to measures carried out by other local authorities.

Integrated solid waste management centre in Jeram to be operational in 2025 >2

JAROD LIM and GRACE CHEN at the Selangor State Assembly

THE Integrated Solid Waste Management Centre (ISWMC) project under construction in Jeram, Selangor, is expected to be operational in 2025.

State local government and public transport committee chairman Ng Sze Han said the centre, which has the waste-to-energy (WTE) plant, can hold 2,700 tonnes of waste.

"This project was approved by the state government in 2018 on 81ha of land, of which 12.1ha will be used for the WTE plant, while the remaining 68.7ha will be used as a landfill," he said, adding that the landfill could last for over 30 years.

Ng was responding to Mohd Shaid Rosli (Pejuang-Jeram) who asked when the project would be completed as well as the state's efforts to maintain public roads used by vehicles carrying solid waste.

The WTE plant, located at the Jeram Sanitary Landfill, is owned by concessionaire Worldwide Holdings Bhd (WHB).

Currently, the 117.6ha landfill in Jeram, which has been operational since 2007, can manage an average of 3,500 tonnes of solid waste a day.

Ng also said that WHB would work with the relevant local authorities to maintain the roads used by vehicles transporting solid waste.

"Since last year WHB has spent close to RM3mil to upgrade the infrastructure leading up to all landfills in Selangor.

"It has also reminded motorists to only use allowed routes to the landfills," he said.

Recently, WHB entered into a waste disposal agreement with five local authorities for the development of the ISWMC.

The local authorities are Shah Alam City Council, Petaling Jaya City Council, Subang Jaya City Council, Ampang Jaya Municipal Council and Kuala Selangor Municipal Council.

Kuldip from Precinct 3A RA says the field should be kept for recreational activities.

Tan: The questionnaire by MPK is defective as the wrong housing estate has been named.

Devadass says Taman Berkeley residents are worried this project will be the first among others.

Daud: Green spaces like the Berkeley field encourage social interaction among people.

BK Tan says there is a need to protect green spaces to minimise flash floods.

RESIDENT associations (RA), social workers and a politician have objected to Klang Municipal Council's (MPK) proposed plan to turn a 0.95ha field in Taman Berkeley into an open-air carpark and a futsal court as it will impact the well-being of residents.

Taman Daya Meru RA chairman Mohammad Daud Saidin, 65, said the council must halt any plan to build on a green space.

"Our association is concerned that planned green spaces that are important to the social well-being of residents and which contribute to their physical and mental health would be no more," he said, adding that people often enjoyed sitting on the benches simply to de-stress.

Daud said green spaces like the Berkeley field also serve children well as they can socialise, run around, cycle and play football.

"Our fields are accessible to everyone. They encourage social interaction among people of all races within the neighbourhood and this is important.

"Green spaces are one of the sustainable indicators for maintaining overall well-being in residential communities," he pointed out.

On Aug 20, *StarMetro* reported on residents' concerns about MPK's proposed plan.

Established in 1971, Taman Berkeley is one of the earliest housing estates in Klang and has grown into a township over the years.

While officially known as Padang MPK, it is more commonly referred to as the Berkeley field.

Precinct 3A Bandar Parklands RA chairman Kuldip Singh Lahl, 41, said the association supports Taman Berkeley residents in want-

Klang folk question need to build carpark on field

Taman Berkeley residents objecting to council's proposed development also get the support of other RAs

ing to keep the field there intact for recreational activities.

"From observation, the commercial area of Taman Berkeley does have a shortage of parking bays during peak hours.

"But that is in the afternoon from noon to 2.15pm.

"I think a better solution is to have parking bays at the back lane of shoplots from noon to 3pm," he said.

Kuldip added that this was not the time to take away a valuable green space from the community.

People's Voice Action Group social worker Peter Tan, 60, said MPK's Low Carbon Framework 2027 has a section that ensures protection of green spaces, so now was the time for the council to translate those words into action.

"MPK's approach in sending out a questionnaire to obtain approval for the development is wrong.

"I noticed that the questionnaire wrongly states Taman Eng Ann and not Taman Berkeley, where the project is proposed.

"So the entire questionnaire is defective. We want the exercise scrapped and the field preserved,"

he said.

Klang Consumer Association president Devadass Anjan also stressed the importance of green spaces in residential areas, which act as buffers between the built environment.

"Our association's concerns are that a green field — which helps regulate temperature and absorbs water during a downpour — is being targeted for development.

"People in Taman Berkeley are also worried that the project is just the first step in accelerated high-density development in the area," he added.

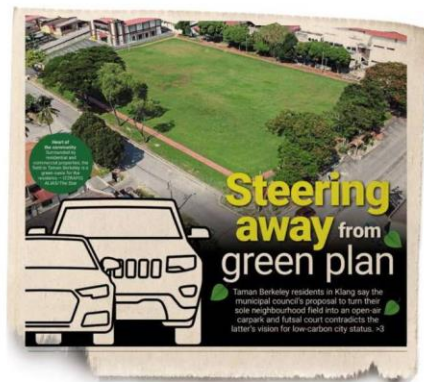

Devadass called upon residents, who number around 900, to protest against the council's short-sightedness in proposing such a development.

"MPK's Planning Department is doing enormous damage.

"It is not just Taman Berkeley residents who will lose out; the whole of Klang town will lose out," he said.

He further warned that the project would set a dangerous precedent.

Selangor MCA Youth deputy

StarMetro's report on Aug 20.

chairman Datuk BK Tan said most residents in the area realised the need to protect green spaces to reduce the risk of flash floods and offset any rise in temperature.

"We must ask the true cost of removing the green space for parking and convenience.

"Most people who live in Taman Berkeley want to know what is the great urgency in building a car

park and futsal court.

"And whether this is the kind of sustainable urban vision the people want."

Tan said it was comforting to see that RAs from other areas were willing to speak up for Taman Berkeley to protect its green space, and urged MPK to put the people's interest first and scrap the proposed plan.

'Be considerate to others and get vaccinated'

SHAH ALAM: Selangor Ruler Sultan Sharafuddin Idris Shah has called on those rejecting the Covid-19 vaccine not to be self-centred as it can delay herd immunity in the country.

According to a statement posted on the official Facebook page of the Selangor Royal Office, Sultan

Sharafuddin reminded people to continue following standard operating procedures and to get vaccinated.

In conjunction with National Day, His Highness also called on the people to appreciate the actual meaning of independence while being grateful to past leaders who strug-

gled to achieve the country's independence in 1957.

"I want the same appreciation to be shown to frontliners treating and fighting the Covid-19 outbreak at the moment, especially hospital staff and other parties involved directly in the management and burial of victims," he said.

The statement also noted His Highness was pleased and moved by the sacrifice of such personnel and prayed they would be strong in serving the well-being of the people.

Sultan Sharafuddin and Tengku Permaisuri Norashikin also wished all Malaysians a Happy 64th National Day. — Bernama

Maiden youth skill competition aims to unearth talents

By **GERARD GIMINO**
 gerard.gimino@thestar.com.my

THE first-ever Selangor Youth Skill 2021 (SYS) competition, a collaboration between the state government and Selangor Sports Council (MSNS), was launched in a virtual event.

State youth generation development, sports and human capital committee chairman Mohd Khairuddin Othman, who launched the event, said the programme aimed to uncover talents and the innovative nature of the youth from Selangor and beyond.

"The concept of SYS is inspired by the WorldSkills competition in Kazan, Russia which I was invited to attend.

"I saw how the atmosphere at the festival was similar to that of the World Cup or the Olympics.

"It was also my first time experiencing how other countries recognised new talents, inspiring me to organise a similar programme here."

The competition, he added, looked at achieving several objectives.

"First, we want to uncover talents among the youth and elevate

Khairuddin (centre) with representatives from various industries at the virtual launch of the Selangor Youth Skill 2021 competition.

them to both national and international levels.

"Second, we intend to focus on innovations in sports through the formation of a unit under MSNS to study and collect technology that will improve the performance of Selangor athletes.

"Third, to provide more opportunities for our youth to display their skills in non-sports sectors and lastly, to establish Selangor as a 'pool of sports innovations' to recognise

the talents of our youth," Khairuddin elaborated.

He also said that the Selangor Sports Innovation Hub under MSNS would be used as a measure to improve existing sports science programmes for the benefit of its athletes.

"Through these efforts, we hope to establish Selangor as the pioneer for sports innovation in the future."

So far, SYS has garnered a social

media reach of over two million with more than 500 registrations.

In line with its theme of "Future Innovation In Sports", the competition will comprise 10 skill categories – Short film and Video, Architectural Technology, Hackathon, Song Composition, Furniture Making, Graphic Technology, Animation Creation, Fashion Technology, Terrarium Design, and Social Media Marketing.

Each category will be judged by representatives from Universiti Teknologi Mara (UiTM), Universiti Selangor (Unisel) and Multimedia University (MMU) along with industry personalities, including film director Ghazali Abu Bakar, musical composer DJ Fuzz and Chang Yi Hern for the Hackathon.

The programme, which runs until Sept 26, offers a cumulative prize pool of more than RM100,000.

581ha approved as forest replacement

SHAH ALAM: About 581.48ha have been approved as permanent forest reserve (HSK) replacement by the Selangor government.

State tourism, environment, green technology and Orang Asli affairs committee chairman Hee Loy Sian said this was based on the decision of the Selangor state executive council meetings in May.

“An area about 581.48ha has been approved as permanent forest reserve replacement involving

PT4182 in Sungai Panjang sub-district, in Sabak Bernam district of about 308.62ha; Ampang Pechah, Buloh Telor sub-district, Hulu Selangor district an area of about 208.98ha and Bukit Broga, Semenyih sub-district, Hulu Langat district about 63.88ha.

“On the whole, the Selangor state government is still able to maintain HSK area in Selangor of not less than 30%. After taking into consideration the area of HSK that has been dega-

zeted and the new replacement areas, the total HSK is about 250,255.36ha,” he said when winding up questions of assemblymen at the state assembly yesterday.

He was replying to questions raised by Elizabeth Wong (PH-Bukit Lanjan), Lim Yi Wei (PH-Kampung Tunku), Datuk Dr Ahmad Yunus Hairi (PAS-Sijanggang), Datuk Mohd Imran Tamrin (BN-Sungai Panjang) and R. Rajiv (PH-Bukit Gasing).

Selangor passes motion to implement online or hybrid sittings

Bernamea

SHAH ALAM (Aug 30): The Selangor legislative assembly today passed a motion to enable future assembly sittings to be conducted in an online or hybrid format.

The motion tabled by Datuk Teng Chang Khim (PH-Bandar Baru Klang) was to enable assembly sittings to be held in an entirely online or hybrid format at the request of the Menteri Besar, during an Emergency, pandemic or extraordinary emergency where physical attendance is discouraged.

“Secondly, (the motion enables) state assembly committee meetings to be held on an entirely online or hybrid format after the Speaker receives confirmation from the Menteri Besar that Selangor is in an Emergency, facing a pandemic or an extraordinary emergency where physical attendance is discouraged,” Teng explained.

Meanwhile, Selangor assembly speaker Ng Suee Lim said the amendment, under Standing Orders 21 and 69 (4), for the Selangor assembly to be conducted in an online or hybrid format, should extraordinary circumstances occur, was approved by the state legislative assembly today.

“Today it has passed, so the Standing Orders Committee, which I chair, along with six other members, including opposition assemblymen, will convene and meet within a week or two to discuss the details and will be tabled in the upcoming sitting,” he told reporters at the lobby of the state legislative assembly building here today.

Ng added that the six-day sitting had progressed smoothly, with all parties co-operating, especially with the compliance of the standard operating procedure.

加影市會沒對外公布 泊車沒繳費 民眾接罰單

報道 ▶ 林海霞

(加影30日讯)加影市议会已在8月23日恢复泊车收费，惟不知情的民众泊车没缴费，而被开罚单。

据了解，加影市议会是在前首相丹斯里慕尤丁在8月19日宣布国家复苏计划第一阶段州属，包括雪兰莪州从8月20日开始开放堂食后就恢复泊车收费，意味从8月23日开始泊车不再免费。

加影市议会管辖区内的商业区共有逾万个泊车格是需要收费的，早前，政府宣布从6月1日开始实行全面封锁行动后，加影市议会就停止泊车收费。

不过，加影市议会恢复泊车收费后，因没再对外公布，不知情的民众泊车也没缴费，直到接获市议会发出的罚单后，才惊觉各领域逐步开放后，泊车收费也恢复。

林金瑛：8月23日恢复收费锁车

加影市议员林金瑛今日向《大都会》社区报说，加影市议会已在8月23日重新恢复泊车收费和采取锁车行动。

她指出，民众泊车要缴费外，也不能随意把轿车泊在路边，否则会被锁车轮。

“我日前接获商家的来电称他们在蕉赖皇冠城和蕉赖11哩丰顺园泊车时，因没缴费而接罚单。”

4车主询问泊车缴费问题

对该投诉，我在8月27日进行的市议会常月会议上提问时，被告知市议会是根据国家安全理事会(MKN)的标准作业程序开放可以堂食后，即重新收泊车费。”

她表示，至今天，至少有4名车主询问她有关泊车是否要缴费的问题。

她说，根据条例，在72个小时内缴交罚单者，罚款是10令吉；14天内缴交被罚30令吉；14天后缴交被罚50令吉；28天后缴交被罚80令吉。

黃思漢：4單位聯合行動 嚴打非法建築濫用土地

(沙亚南30日讯) 掌管雪州地方政府、公共交通及华人新村发展事务的行政议员黄思汉指出，瓜冷市议会、瓜冷县土地局、巴生港务局与大马皇家关税局将会采取联合行动，以确保地主非法建造建筑结构、滥用土地的事件不再重演。

黄思汉指出，瓜冷斯里达玛码头 (Jeti Sritama) 的储放轮胎碎片仓库早前发生火灾后，当局已鉴定存放轮胎和发生火灾的地段属

于农业土地，因此瓜冷县土地局援引国家土地法典，于7月12日发出7A表格，限地主在90天之内还原土地。

黄思汉回答伊党昔江港州议员阿末尤努斯的口头提问时表示，地主也必须清空和净化涉及的地段，保持原有的土地条件，即种植橡胶。

黄思汉表示，鉴于地主无执照进行相关商业活动以及非法设立建筑结构，瓜冷市议会亦援引2007年贸易、商业及工业

执照条规、1974年道路、沟渠及建筑物法令第70 (13) (c) 条文发出罚单。

黄思汉指出，雪州水务管理公司、国能公司、马电讯 (Telekom) 或其他公用事业公司必须确保所有申请相关设施资源的工厂，都是获得土地局及市议会合法批准。

他指出，沿着双溪冷岳的瓜冷斯里达玛码头是一座私人码头区，活动涉及引进获得巴生港务局及大马皇家关税局批准的各类物品，而周围有14块总占地15.4359公顷的土地作为存放物品的仓库用途。

雪州愿与布城合作 共享数据加快成精明州

(莎阿南 30 日讯) 雪兰莪州政府愿意和布城合作，共享其公共数据，以加快州政府于 2025 年成为精明州的愿望。

雪州大臣拿督斯里阿米鲁丁说，要实现精明州的愿望，没有联邦政府的帮助，州政府无法单独行动。

“我们是开放的，这符合我们的愿望，雪州是促进我国发展的经济火车头，若我们不分享这些数据，也不会带来任何信息。

“我们不能单独工作……如果我们单独工作，数据没有链接。如果我们说精明州，我们会说大数据分析或，只有当我们能够将我们的数据和信息结合在一起时才能实现。”

阿米鲁丁今早在雪州议会，回答国际山庄州议员，也是候任国际贸易及工业部高级

部长拿督斯里莫哈末阿兹敏的附加提问时这么说。

不过，他表示需要在早期讨论有关条款和条件，以确保数据共享受个人资料保护法令 (PDPA) 的约束。

“我们没有问题……如果开放我们可以讨论条款，肯定有某些条件，因为它涉及数据和信息，因为我们受 PDPA 的约束。”

阿兹敏是提问雪州政府，是否有计划把协调精明雪州计划和联邦政府领导的大马数字经济蓝图计划 (MyDIGITAL)。

较早时，阿米鲁丁回答杜顺大州议员艾德里提问，有关受到冠病影响后精明雪州方向的变化时说，冠病大流行的影响，引发了比以前更快的数字化革命。

办大赛助特产外销振经济 雪政府推广新村好品

(八打灵再也 29 日讯) 雪兰莪州政府史无前例主办“雪州新村好品大赛”，并将拨出超过 10 万令吉作为奖金和产品认购，以便把雪州新村好品推广到全国各地，甚至国际平台。

比赛成功入围决赛的好品，都将获得“雪州新村好品”认证，并有成为雪州政府指定的官方伴手礼。

雪州共有 77 个新村，有部分面临人口凋零、产业没落等问题，为了再现新村独特优沃的风土条件和丰富多元的传统价值，同时达到活络新村、刺激新村经济的目的，雪州新村发展事务委员会主办“雪州新村好品大赛 BAIK Selangor (2021-2022)”。

掌管地方政府、公共交通、新村发展事务的雪州行政议员黄思汉指出，这是州政府首次主催举办新村好品比赛活动，并获多个合作伙伴配合协办，旨在协助推广新村好品，以便在疫情冲击之下寻求新求变，创造转机，借此再度把新村经济活动搞起来。

“疫情延续近 2 年是启发我们筹办此活动的主因，因为疫情已改变人们生活消费模式，期间也有部分人或家庭因疫失去经济支柱，包括一些新村过去或依靠游客前来消费，如今却面对产品滞销问题。”

他说，为此，“雪州新村好品大赛”将是一场新村创业及协助传统品牌转型的大赛，从收件开始到最终的“雪州新村好

黄思汉：疫下带来活力 盼打造雪首个认证系列

黄思汉指出，州政府希望通过这项历时半年，全程以线上为主的大型活动，能打造出第一个以州为单位认证的新村好品系列，以及第一个以州为单位的伴手礼，借此给受疫情冲击的新村带来活力和实质帮助的动机。

他说，大赛将通过三大指标：一、故事营销，二、设计

导入，三、在地连结，来增加新村品牌的识别度，帮助新村品牌升级，通过“雪州新村好品”来引领马来西亚新村品牌走出一条康庄大道。

“雪州政府希望率先以新村好品的形式，让马来西亚人甚至外国人都能看到新村的价值和潜力，我要鼓励在新村的

大臣：保障為前提 雪數據可與聯邦共享

(沙亚南30日讯)雪州政府为实现雪州2025年精明州(Smart State)目标,愿意向联邦政府开放数据共享,前提是所有数据获得个人资料保护法令拟定的保障指南,并符合通讯及多媒体委员会的规定。

雪州大臣拿督斯里阿米鲁丁今日在雪州议会,回答国际山庄区州议员兼贸工部长拿督斯里阿兹敏的口头附加提问,关于雪州如何协调与联邦政府My Digital的政府机构和部门开放官方数据方式及云端公共计算,对雪州和联邦共享数据给出上述相当肯定的答案。

大臣说:“精明雪兰莪是我们迈向先进州的基准,我们不能单独行事,否则数据便无法衔接,所以才有大数据,因此数据共享是我们要的,例如

政府共享官方数据。资料保护法令给予的指南,同联邦阿米鲁丁说,雪州愿意基于个人

在应对冠病疫情方面,对大数据的分析,能抑制病毒和管控人们的活动等。”

他指出,疫情加速了雪州迈向数字化的进程,例如在雪州资讯科技与电子商务理事会(SITEC)成立初期,每年平均培训100人参加电子商务课程,但疫情来袭创造的商机和转机,有2万人受邀参与州政府电商市集(e-bazaar)。

另外,阿米鲁丁在回答行动党杜顺大区州议员艾德里口提问时证实,在疫情当下,雪州对2025年先进州目标的步伐不会有变动,但一切仍视乎州财政状况而定。

行动党万津区州议员刘永山则借附加提问环节,对难得出现在雪州议会厅的阿兹敏左右开弓,他要求大臣敦促联邦政府,不要制定一些不利于外资和科技业者的政策,例如东盟政府早前撤销了外国船只维修海底电缆的沿海贸易政策豁免权,这足以伤害我国的数码化进程。(TSI)

地方政府受指示 財案須包括公共殮葬

雪州政府不愿看到一个不让人民感到负担的冠病死者家属,因为要处理逝者遗体而面临经济压力困境,因此指示各地方政府,必须在提早明年度县议会财政预算案前,鉴定和规划各属的公共火化场和特别墓园,制定出一

老板,迄今帮助了州内8000名临时小贩。黄思汉披露,从2016年开始,州政府便豁免小贩执照费,迄今一共免除了5400万令吉,分别是2016年720万令吉、2017年1200万令吉、2018年1150万令吉、2019年1050万令吉和2020年1280万令吉,惠及7万名小贩。

“虽然这令州政府失去了一大笔财政收入,但州政府秉持‘有福同享,有难同当’原则,继续在今年提供小贩执照费豁免,免除了760万令吉。不仅如此,州政府还豁免了今年4月和5月份地方政府产业的业者租金,涉及了500万令吉。”(TSI)

11州議員任官聯公司要職

雪州大臣拿督斯里阿米鲁丁说,雪州有11名在朝州议员在州政府官联公司(GLC)担任董事要职,州政府同时委任有经验的专业人士,担任子公司的董事。同时,他也公布具备资格受委进入官联公司董事会的州议员名单。

他今日在州议会发表休会演词时,应而视州州议员莫

哈末赛在感谢雪州苏丹施政御词的议员辩论环节要求,公布11名州议员名单,当中公正党议员占了7人、行动党4人。

大臣说,这11名州议员是罗扎娜(柏马登)、也是大臣政治秘书的祖薇丽亚(武吉美拉华蒂)、哈利梅(斯里迪亚)、拉吉夫(武吉加星)、黄洁冰(武

吉兰樟)、沙迪利(哥打白沙罗)、将受委的纳兹旺(哥打安格力)、阿兹米占(巴生港口)、刘永山(万津)、刘天球(双溪比力)和李继香(新古毛)。

对于莫哈末赛要求州政府成立一支囊括反对党领袖、反对党议员和独立议员的特别委员会,以监督雪州政府子公司环球控股(Worldwide Holdings)公司的表现,阿米鲁丁回

应,目前已有相应的特委会机制,这些特委会包括州议会公共账目委员会(PAC)、雪州能力、公信力及透明度特别遴选委员会(SELCAT)、和雪州政府机构、法定机构及子公司监督委员会(JP-ABAS)。

他披露,上述委员会成员包括反对党和执政党议员,以检查和监督被相中的官联公司评估表现。(TSI)
