Sebanyak 13 Memorandum Persefahaman (MoU) ditandatangani sepanjang Pameran Penerbangan Selangor (SAS) 2021 yang berlangsung di Pusat Penerbangan Serantau Skypark, Subang pada 25 hingga 27 November lalu.

Invest Selangor Berhad dalam satu kenyataan berkata, MoU itu meliputi pelbagai kerjasama dengan subsektor industri aeroangkasa bagi pembangunan tenaga kerja vokasional untuk industri tersebut selain pembangunan Pusat Kecemerlangan Dron Selangor, hab latihan simulator serta cadangan pembangunan kemudahan pembuatan pesawat laut.

Menurut kenyataan itu, antara MoU yang ditandatangani melibatkan Pembedaan Menteri Besar (MBI) Selangor dengan Sepang Aircraft Engineering Sdn Bhd, Selangor Aviation Technology & Innovation Sdn Bhd

"Selain itu, kerjasama strategik yang ditandatangani antara Malaysia Airports Holdings Bhd (MAHB) dan ExecuJet Aviation Group akan menyaksikan Dassault Aviation melabur sehingga RM100 juta melalui ExecuJet MRO Services Malaysia (ExecuJet).

"Ia bagi tujuan menubuhkan MRO (penyelenggaraan, pembaikan dan baik pulih pesawat) baharu sebagai pusat se-henti untuk jet perniagaan bagi penyelenggaraan dan pengubahsuaian dalaman," katanya dalam kenyataan pada Khamis.

Mengulas lanjut, Invest Selangor berkata, SAS 2021 yang diadakan di kawasan seluas 2,663.99 meter persegi itu telah berjaya mencapai sasaran hampir 5,000 pengunjung sepanjang tiga hari acara diadakan.

Jelasnya, acara julung kali diadakan itu berjaya mengumpul 43 peserta pameran dari tujuh negara yang mewakili industri aeroangkasa dan penerbangan dunia. "Sebanyak 18 buah pesawat statik te-

RM9mil for much-needed infrastructure upgrade

By FARID WAHAB
 faridwahab@thestar.com.my

SELANGOR government has handed out RM9mil to Chinese vernacular schools, independent schools and missionary schools this year to upgrade their infrastructure.

From this amount, vernacular schools received RM6mil, while independent schools and missionary schools received RM2mil and RM1mil respectively.

Mentri Besar Datuk Seri Amirudin Shari said 137 such schools were chosen to receive the allocation based on the increase in the number of students and need for physical upgrades.

"Starting this year, applications for aid must be made fully online via the Sistem Smart Inisiatif Peduli Rakyat.

"This is to ensure a smoother process as well as to limit physical meetings amid the Covid-19 pandemic," he said.

Amirudin added that the state government disbursed RM23.2mil to over 630 schools statewide this year.

"We want to ensure a conducive learning environment for students in schools," he said after presenting financial aid to schools at an event held at Pin Hwa High School in Klang.

The school's management board chairman Dr Chia Song Kun thanked the state government for the annual aid.

"The number of students at independent schools in Selangor has

doubled in the past 12 years.

"These institutions rely on tuition fees and donations from the public, but these are not enough to cover their expenses.

"This aid is a relief on their burden and will ensure they can run optimally," he said while expressing hope for the aid to be increased in future.

SMJK Kwang Hua management board deputy chairman Datuk Loo

Chee Wee said the aid would be used to upgrade its sports facility.

"Our school is about 50 years old and needs a substantial upgrade. We now have some 3,200 students.

"We are in the midst of building a new basketball court, in addition to two multipurpose courts," he said.

Kwang Hua Private High School board chairman Chia Seong Pow said the allocation would be for

construction of a new hall.

"The existing hall was built 25 years ago and is currently insufficient to house all of our students.

"Construction is expected to start in the second half of next year after we secure the relevant approvals from the local authority," he said.

Also present were state executive councillors Hee Loy Sian and Datuk Teng Chang Khim.

MPS delivers essential items to 10 welfare homes

SELAYANG Municipal Council (MPS) flagged off a delivery convoy at the Menara MPS lobby in Batu Caves recently in conjunction with its *Program Masih Ada Yang Sayang 2021* project.

“This annual programme is held to visit communities in need, such as orphans, senior citizens and the disabled, and to provide aid to relieve the expenses borne by welfare homes under MPS,” the council’s Corporate Communications director Mohamad Zin Masoad said in a statement.

“The MPS convoy presented cash contributions of RM1,500 and household necessities to each of the 10 welfare homes they visited.

“These homes house a total of 408 residents and are located across nine state constituencies under MPS.”

The convoy of seven vehicles was led by MPS president Mohd Yazid Sairi and deputy president Cheremi Tarman.

They were accompanied by MPS Community Development Department director Affendei Samingan and MPS councillor for Zone 7 Deveandran Selvaraju during their visit to Pertubuhan Perkhidmatan Sosial dan Pembangunan Komuniti Daerah Gombak in Batu Caves.

The association’s founder and chairman Henry Sandanam took the group on a tour of its facilities and briefed them on its activities.

Mohamad Zin said the contributions to the other nine welfare homes were distributed by the respective zone councillors and MPS staff.

Call to waive entertainment tax

It is unfair and a disappointment to performers, say artistes

By LIEW JIA XIAN
 jjaxian@thestar.com.my

PETALING JAYA: The entertainment industry in Selangor is hoping that the state government will look into waiving the entertainment tax to get them through tough times.

Stand-up comedian Abdul Raqib Karim, 37, said many performers did shows for the passion.

"These shows don't make a lot of money and we are prepared to accept that. Why is the government taxing us? What has the government done for the arts at the grassroots level?" he said.

The entertainment tax was deeply frustrating, especially for stand-up comedians, said Abdul Raqib, because the sector was still new.

"The entertainment tax will definitely be a setback," he said.

Abdul Raqib said while Selangor Menteri Besar Datuk Seri Amirudin

Shari had clarified that the 15% tax on all ticketed performances was cut from 25%, this was on top of licences and standard operating procedure for live shows.

"This is not inclusive of the immense expense to license foreign entertainers, many of whom are friends of the comedy scene, to do shows at these venues," he said, calling the tax "absurd and unfair".

Karyawan president Datuk Freddie Fernandez urged the state government to waive the tax, saying: "Due to the pandemic, we did not have many events and performances for the past two years. The last thing we want is more taxes."

Fernandez, who is also Music Malaysia chairman, said with physical distancing in place, only a maximum of 50% seating was allowed.

"This makes it even more difficult for shows to cover their total cost, not to mention adhering to the SOP

and disinfecting the venue, the ongoing supply chain disruptions and increased productions costs.

"The tax must be paid upfront in full (based on 100% of seats sold) before ticket sales, as a condition for the performance permit.

"For many smaller productions, this is simply out of their financial reach.

"The imposition of the tax could very well be the final nail in the coffin for many struggling artistes and will set the development of the performing arts industry back many years," he said.

Arts, Life Festival and Events Association president Rizal Kamal urged the Selangor government to support the creative industry by immediately giving a tax waiver.

"The pandemic left many performance venues, producers, artistes and crew without an income and livelihood for nearly two years.

"If it is passed onto the consumer, the increased ticket price will drive away potential audiences.

"Even before the pandemic, the industry was struggling to produce shows to cover its production costs, while many artistes persevered in their craft out of sheer passion and love for the arts.

"We hope that the Selangor government can waive the collection of entertainment tax on all arts and stage performances by local artistes, while at the same time reduce this to 5% for all arts and stage performances by international artistes until 2026 to allow the industry to recover," he said.

Rizal said the tax for stage performances in Selangor had always been 5% or below as the state government understood the plight and workings of the industry, pointing out that under Budget 2022, this had even been reduced to zero.

"However, this only applies to the Federal Territories, with some other states following suit.

"Selangor will be at a severe disadvantage as performers or producers will choose venues outside the state," he added.

Amirudin, however, said entertainment tax had always existed and that this was not a new policy.

"Paid performances are subject to the entertainment tax at a rate of 25% and this is implemented in all states. In 2021, the Selangor government waived the entertainment tax for theme parks.

"In 2022, we will impose an entertainment tax of 15% for ticketed or paid performances and 5% for theme parks.

"The truth is that the Selangor government has reduced it from 25% to 15% for paid performances, and 25% to 5% for theme parks," he added.

Selangor to introduce mobile app to revive tourism industry

by S BIRRUNTHA

THE Selangor government through Tourism Selangor will introduce the "Go Selangor" mobile app by February 2022 to revive the tourism industry.

Menteri Besar Datuk Seri Amirudin Shari said this is in line with the government's initiative of Tourism 4.0 and the tourism digitalisation.

"We aspire to welcome around 100,000 of Selangor's merchants on the mobile app, which is a proactive embark towards fostering Tourism 4.0 and tourism digitalisation," he said in his opening speech of Tourism Selangor Global Convention 2021 (TSGC 2021) in

Petaling Jaya last Friday.

Amirudin emphasised that tourists want to travel in the post-pandemic phase and this should be the focus of the tourism industry moving forward.

Therefore, he said the tourism industry's approaches and promotional initiatives should cater accordingly to the rising demands to grasp optimal results.

He added that a defining element brought forth by Covid-19 is digital transformation, as the pandemic has led to the rise of digital technology — a notion which is supported by the state government in encouraging businesses to adapt to the changes.

"Selangor consists of nine dis-

tricts and 12 local councils which provide diversified tourist destinations — each with its own uniqueness, beauty and strength.

"Rest assured, the state government will continue supporting Tourism Selangor and its various initiatives, on which I do hope the public would also extend similar support.

"Make all of the nine districts in Selangor as of your must-visit destinations, as the state is rich in history, heritage and culture, as well as is home to a vast list of tourism attractions and entertainment appeals," he noted.

Meanwhile, Amirudin said TSGC 2021 with the theme of "A Game Changer to Reset Tourism" is the

first-ever global convention in Malaysia that brings together aspiring leaders and key industry players.

He highlighted that the global convention paves the way for the sharing of useful insights towards elevating Malaysian tourism, especially Selangor's to greater heights post-pandemic.

"I believe TSGC 2021 is an intricate effort towards achieving the vision and boosting the industry.

"All tourism industry players should continue introducing attractive and unique attractions and packages for tourists and boost the tourism economy," he noted.

He also said that the revitalisation of Selangor's tourism industry is an awakening of one of the state's

major economic contributors, making its comeback after a challenging period of two years.

TSGC 2021 is a hybrid two-day conference that aimed to reset tourism on a global stage, in which it will spotlight different topics from speakers across different sectors that aim to elevate the tourism industry.

Amirudin officiated the TSGC 2021 in front of a combination of 2,000 physical and virtual guests.

Commenting on the event, Selangor executive councillor Hee Loy Sian said the state is excited to explore the possibilities towards building more profitable and secure tourism strategies specially catered to this challenging endemic era.

忽视解决国家危机 雪苏丹批政客只顾恶斗

(莎阿南 11 日讯) 雪兰莪州苏丹沙拉夫丁殿下对目前困扰我国的多重危机，以及冷酷无情的政治恶斗感到失望。

殿下告诫纠缠恶斗的政治人物，目前国家面对新冠病毒疫情危机、经济放缓及政治不稳定，这对大马是三大打击。

“政治人物忙于恶斗，忽略致力解决冠病带来的问题。”

沙拉夫丁殿下配合 76 岁华裔接受《星报》专访时说，由于生活上面对苦难，老百姓如今向他求助，因为他们觉得政治人物没有给予协助。

收到具身分投诉

“也许我错了，不过，我认为人民无法与选区的人民代议士沟通。”

殿下说，过去他是收到投

报的匿名信，如今民众直接报上名字、身份证号码、住家地址，甚至手机号码，这意味着人民已经感到绝望。”

苏丹沙拉夫丁也责备没有履行职责的人民代议士。

“大约在几个月前，雪州一个地区面对严重山洪爆发，所以我问，人民代议士在哪里？州议员、国会议员在哪里？国会议员在社交媒体及国会长篇大论，实际

上，什么也没做，只有非政府组织实地展开工作。”

询及人民提出什么问题，殿下说，人民寻求财务援助，甚至提出理由由人民代议士处理的地方性问题。

沙拉夫丁也对城市贫民人数不断增加表示担忧，并认为应该进行更多工作帮助受疫情影响的人士。

询及雪州政府管理疫情的表现，殿下说：“它可以更好，政治人物应专注数据及科学。”

“雪兰莪可能有更多医院，但大部分为私立医院，而且价格昂贵；而且（在这里）有城市贫民。”

代议士不应掌官联公司

沙拉夫丁殿下建议由合格的专业人士管理官联公司。

殿下认为，雪州人民代议士不应该担任官联公司主席及董事，这些职位应保留给合格的专业人士。

雪州苏丹表示，他查看相关任命，经常好奇想知道，这些人民代议士是否有时间或资格或经验处理相关任务。

“他们应该专注于照顾本身的选区及州属，把有关职务留给专业人士。”

“联希望他们不只考虑在

这些官联公司工作的福利与薪酬。”

殿下指出，国家经济低迷，以及振兴经济工作很少是困扰他的问题之一。

“除了冠病疫情，永无休止的水供问题是工业的主要祸根，也是经济衰退背后的其中一个因素。”

“这也是为什么他们（企业）一个接一个迁往越南，我们将失去投资。”

殿下说，越南、印尼及柬埔寨更具竞争力，劳动力成本较低。

勿煽动种族课题

“我们同一条船！”

沙拉夫丁殿下呼吁人民加强团结，并提醒政治人物不要利用种族及宗教课题煽动情绪，因为更紧急的课题有待处理。

殿下指出，由于冠病疫情，各族人民受影响，并以企业倒闭、失业和减薪作为例子。

“各族的中产阶级人数都在下降，我们同一条船

上，经济及冠病是我们关注的课题。”

“请不要提出可能导致种族课题的不必要问题。”

沙拉夫丁也敦促媒体不要报道那些相互对立的人士。

水供问题勿政治化

沙拉夫丁殿下补充，雪州水供问题必须在没有政治参与的情况下解决。

“这也是为什么朕告诉他们，不要玩政治游戏，这就是 2008 年当政府更迭及涉及水供问题政治的开始。”

“他们（州政府）不想做，联邦政府想做；当州政府想做，联邦政府却不想做。”

沙拉夫丁殿下多次致函首相及州务大臣，要求他们不要把政治与水供问题混为一谈。

雪州苏丹表示，水供非常

重要，它不像电力供应可以被替代，若出现水供中断，人民和企业将遭受巨大损失。

殿下认为有必要做更多工作吸引投资者到雪州投资，并指雪州政府把缺乏经验的人士安置在投资部门。

无论如何，殿下赞扬负责工业及贸易的行政议员拿督邓章钦的表现良好。

即起至31日 雪虚拟马拉松开放报名

（巴生11日讯）雪州政府、雪兰莪大臣机构（MBI）及MOVE-ON主办的虚拟马拉松“Ayuh Selangor 1.0”，即日起至12月31日（星期五）开放报名。此次活动，预留5000个免费名额给雪州子民报名参加。

扮演主要“推手”角色的雪州大臣拿督斯里阿米鲁丁表示，因疫情缘故，许多人这一年多来减少外出活动，少了面对面交流机会，这次举办虚拟马拉松，希望可以展现国人的活力精神面貌。

“过去，实体马拉松活动都是上百人、甚至上千人成群结队地参与，在户外同时间奔跑；如今在新常态下，马拉松也只能虚拟跑。你可以在任何时间、地点，在指定期限内完成规定跑步的公里数即算成功。”

除了有雪州政府与雪兰莪大臣机构（MBI）的大力推动此活动之外，kirimman今次也提供赞助。然而，“Ayuh Selangor 1.0”虚拟马拉松主办单位之一的MOVE-ON，亦是首个马来西亚专为跑步者与自行车骑士而设的活动策划虚拟应用程序。

MOVE-ON的使命，是成为第一家在帮助各大机构与商家推广及策划一系列虚拟与实体活动之际，也能让用户能随时随地参与各式各样体育活动如马拉松、骑自行车等。用户也可实时知道自己的成绩。

更多详情，除了可浏览雪州政府官方媒体及雪州大臣个人脸书网页外，也能浏览MOVE-ON网站<https://www.mov3on.com/> 查询资料。联系电话：011-2616 6839。（BPK）

雪政府撥2400萬令吉教育撥款

(巴生11日讯) 尽管冠病疫情影响到雪州政府的财政收入, 但州政府今年仍拨出2400万令吉作为教育拨款, 其中各源流学校, 包括华小获600万令吉、华文独中200万令吉、华中和教会学校则获100万令吉。

雪州大臣拿督斯里阿米鲁丁今早出席教育拨款移交仪式表示, 冠病疫情令各领域受到冲击, 也影响到州政府的税收, 但州政府依然坚持发放教育

拨款给各源流学校。

他说, 各校因疫情缘故需经常关闭学校、限制会面等, 无法像以往移交支票方式进行, 所以于去年改成透过电子转账方式, 下放拨款给学校。

疫情冲击税收仍坚持发放

为了方便及简化各校申请拨款, 学校教育拨款从今年起, 可透过线上方式进行申请。

“我今天将会出席3场移交拨款仪式, 总共移交2320万9732令吉给637所在雪州的学校, 其中今早在巴生滨华中学的首场仪式, 就会移交900万令吉给137所华小、华文独中、华中和教会学校。”

阿米鲁丁指出, 尽管今年采取一次性发放拨款, 不过明年或疫情舒缓后, 就会恢复一年两阶段发放拨款。

他说, 州政府之前分成两阶段拨款, 主要是一些学校若在上半年(4月或5月)来不及申请, 就可以在第二阶段(9月或11月)提出申请。

“州政府也能视上半年拨款, 调整分配给在下半年申请拨款的学校。”

出席今日活动嘉宾包括雪州行政议员拿督邓章钦、黄思汉、雪州议会议长黄瑞林以及巴生市议会主席阿末法兹里。(BPK)

இன, மத பிரச்சினையை தூண்டாதீர்

ஷா ஆலம், டிச. 12.
மக்கள் மத்தியில் ஒற்றுமை உணர்வை பலப்படுத்த வேண்டும். அதனைத் தவிர்த்து இன, மத வேறுபாடு பிரச்சனைகளை அரசியல்வாதிகள் தூண்டுவதை நிறுத்திக்கொள்ள வேண்டும் என சிலாங்கூர் மாநில கல்தான் ஷாராபுடின் இடீரிஸ் ஷா நினைவுபடுத்தினார்.
நாட்டில் தற்போது மக்கள் கோவிட்-19 தொற்றினால் பெரும் பாதிப்படைந்துள்ளனர்.
அதன் விளைவாக வர்த்தகம் மூடப்பட்டு பலர் வேலை இழந்து மக்கள் பெரும் அவதிக்குள்ளாகி வருகின்றனர். இந்தநிலையில் இன, மத வேறுபாடுகளை கலப்பி மேலும் தேவையற்ற பிரச்சனைகளை உருவாக்க வேண்டாம் என அவர் தனது 76 ஆவது பிறந்தநாளை முன்னிட்டு வழங்கிய செய்தியில் குறிப்பிட்டுள்ளார்.
